EXECUTION VERSION

INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT is entered into as of April 11, 2005 by and between PROVOK TECHNOLOGIES CORPORATION, a Delaware corporation ("GRANTOR") and the secured parties listed on the signature page hereof (the "SECURED PARTIES").

RECITALS

A. Secured Parties have made and may in the future make certain advances of money to Grantor (the "*Loans*") in the amounts and manner set forth in those certain Subordinated Secured Convertible Promissory Notes executed by Grantor in favor of Secured Parties (collectively, as the same may be amended, modified or supplemented from time to time, the "*Notes*") and that certain Note Purchase Agreement, of even date hereof, by and between Grantor and Secured Parties (as the same may be amended, modified or supplemented from time to time, the "*Purchase Agreement*"). Secured Parties are willing to make the Loans to Grantor, but only upon the condition, among others, that Grantor shall grant to Secured Parties a security interest in certain Copyrights, Trademarks and Patents to secure the obligations of Grantor under the Notes and Purchase Agreement.

B. Pursuant to the terms of that certain Security Agreement, dated of even date herewith, by and between Grantor and Secured Parties (as the same may be amended, modified or supplemented from time to time, the "*Security Agreement*"), Grantor has granted to Secured Parties a security interest in all of Grantor's right, title and interest in, to or under all of the Grantor's assets. All capitalized terms used but not otherwise defined herein shall have the respective meanings assigned to them in the Security Agreement.

AGREEMENT

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and complete payment when due of its obligations under the Notes, Purchase Agreement and Security Agreement (collectively, the "*Loan Documents*"), Grantor hereby represents, warrants, covenants and agrees as follows:

To secure its obligations under the Loan Documents and under all other agreements now existing or hereafter arising between Grantor and Secured Party, Grantor grants and pledges to Secured Parties a security interest in all of Grantor's right, title and interest in, to and under its Intellectual Property (including without limitation those Copyrights, Patents and Trademarks listed on Schedules A, B and C hereto), and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions continuations, renewals, extensions and continuations-in-part thereof.

This security interest is granted in conjunction with the security interest granted to Secured Parties under the Security Agreement. The rights and remedies of Secured Parties with respect to the security interest granted hereby are subject to the terms of the Security Agreement and are in

PATENT

REEL: 015942 FRAME: 0961

addition to those set forth in the Security Agreement and the other Loan Documents, and those which are now or hereafter available to Secured Parties as a matter of law or equity. Each right, power and remedy of Secured Parties provided for herein or in the Security Agreement or any of the Loan Documents, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by Secured Parties of any one or more of the rights, powers or remedies provided for in this Intellectual Property Security Agreement, the Security Agreement or any of the other Loan Documents, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any person, including Secured Parties, of any or all other rights, powers or remedies. Notwithstanding the foregoing, each Secured Party hereby irrevocably authorizes the ECentury Capital Partners, L.P. (the "***Collateral Agent***") to take all actions, to make all decisions and to exercise all powers and remedies on its behalf under the provisions of this Intellectual Property Security Agreement, including without limitation all such actions, decisions and powers as are reasonably incidental thereto. The Collateral Agent may execute any of its duties hereunder by or through agents, designees or employees.

Grantor represents and warrants that Exhibits A, B, and C attached hereto set forth any and all intellectual property rights in connection to which Grantor has registered or filed an application with either the United States Patent and Trademark Office or the United States Copyright Office, as applicable.

[Signature pages follow.]

IN WITNESS WHEREOF, the parties have caused this Intellectual Property Security Agreement to be duly executed by its officers thereunto duly authorized as of the first date written above.
