ASSET PURCHASE AGREEMENT

This Asset Purchase Agreement (the "Agreement") is made as of March 2, 2005 (the "Effective Date"), by and between Sherwood Partners, Inc., a California corporation, in its sole and limited capacity as Assignee for the Benefit of Creditors of NanoMuscle, Inc. (the "Seller"), with principal offices located at 101 University Avenue, Suite 100, Palo Alto, California 94301, and Alfmeier Präzision Aktiengesellschaft Baugruppen und Systemlösungen (the "Buyer"), with principal offices located at Industriestraße 5, Treuchtlingen 91757 Germany.

RECITALS

A. By resolution of the board of directors (the "Board") of NanoMuscle, Inc., a California corporation (the "Assignor"), Assignor has transferred ownership of all its right, title and interest in and to tangible and intangible assets (the "Assets") to Seller, and in so doing has also designated Seller to act, pursuant to California law, as the Assignee for the Benefit of Creditors of Assignor. The General Assignment agreement (the "General Assignment") between Assignor and Seller, as assignee, is attached hereto as Exhibit A.

B. Seller and Buyer have identified a subset of the Assets that Buyer desires to purchase from Seller (the "Required Assets"). The Required Assets are identified in Section 1.2 below. After consummation of the Closing contemplated under this Agreement, Seller will liquidate any remaining Assets that are not Required Assets (the "Remaining Assets"), and will undertake the winding down of Assignor, which shall ultimately include, but shall not be limited to, the distribution of net funds, after payment of fees and costs associated with the liquidation and winding down, to Assignor's creditors, which are generated from the sale of the Assets.

C. Seller and the secured creditors of Assignor (collectively "Lender") entered into that certain Subordination and Collateral Disposition Agreement dated January 17, 2005 ("Subordination Agreement"). A copy of the Subordination Agreement is attached hereto as Exhibit B. As set forth more fully therein, the Subordination Agreement provides that the Lender consents to and releases its security interests in Lender's Collateral (as defined in the Subordination Agreement), that Lender consents to the sale of the Collateral free and clear of its interests, that Lender's interests will attach to the sale proceeds of the Collateral, and that Lender waives notice of the sale, liquidation, or other disposition of the Collateral. The Subordination Agreement further provides, subject to its terms, that each and every Lender, as defined in the Subordination Agreement, is bound by the Subordination Agreement.

D. Seller desires to sell to Buyer, and Buyer desires to purchase from Seller, the Required Assets, on the terms and conditions set forth in this Agreement.

NOW, THEREFORE, in consideration of the above recitals and the mutual covenants hereinafter set forth, Buyer and Seller hereby agree as follows:

1. PURCHASE AND SALE OF REQUIRED ASSETS

1.1 Agreement to Sell and Purchase Required Assets. Subject to the terms and conditions of this Agreement, and in reliance on the representations, warranties and covenants set forth in this Agreement, Seller agrees to sell, assign, transfer and convey to Buyer at the Closing (as

defined in Section 2.2 below), and Buyer agrees to purchase and acquire from Seller at the Closing, all of Seller's right, title and interest in and to all of the Required Assets. The Required Assets will be sold, assigned, transferred and conveyed to Buyer (subject to Section 1.3) on the Closing Date "as is" and "where is", with no representations or warranties other than those specifically set forth below, and subject to any and all pledges, liens, licenses, rights of possession, security interests, restrictions, encumbrances, charges, title retention, conditional sale or other security arrangements of any nature whatsoever (collectively, "Encumbrances"). Notwithstanding the foregoing, the liens identified in the Subordination Agreement are released and shall no longer attach to the Required Assets.

1.2 Required Assets Defined. As used in this Agreement, the term "Required Assets" means, collectively, Seller's right, title and interest in and to the assets listed in Exhibit C attached hereto, provided, however, that the Required Assets shall not, under any circumstances, include Seller's or Assignor's (i) cash, (ii) accounts receivable, (iii) claims or preference or fraudulent conveyance recoveries under applicable law, (iv) state or federal tax refunds, (v) insurance refunds or recoveries, (vi) utility or leasehold security deposits, (vii) NanoMuscle toy actuator finished good inventory, (viii) trademarks and trade names, (ix) all other Assets not included in Exhibit C.

1.3 Asset Transfer; Passage of Title; Delivery.

(a) **Title Passage.** Except as otherwise provided in this Section, upon the Closing, title to all of the Required Assets shall pass to Buyer, and Seller shall make available to Buyer possession of all of the Required Assets as provided in subsection 1.3(b), and shall further, upon Buyer's request, execute assignments, conveyances and/or bills of sale reasonably requested to convey to Buyer title to all the Required Assets subject to the Encumbrances, in accordance with Section 1.1 of this Agreement, as well as such other instruments of conveyance as counsel for Buyer may reasonably deem necessary to effect or evidence the transfers contemplated hereby. Any such additional documents shall be prepared by and all related costs borne exclusively by Buyer.

(b) **Delivery of Required Assets.** On the Closing Date (as defined in Section 2.2), Seller shall make available to Buyer possession of the Required Assets, provided however, that the expenses of retrieving, removing and transferring the Required Assets shall be borne exclusively by Buyer.

(c) **Retention of Documents.** As Assignee, Seller is responsible for maintaining business records during the assignment process and, among other things, will have to prepare and file final tax returns. To the extent Buyer requires business records of Assignor that Seller requires to administer the assignment estate, Buyer shall, at its own expense, arrange to obtain copies of such records from Seller.

2. PURCHASE PRICE; PAYMENTS.

2.1 Purchase Price. In consideration of the sale, transfer, conveyance and assignment of all the Required Assets to Buyer at the Closing, Buyer shall, as of the Closing, assume only those liabilities, if any, expressly set forth as Assumed Liabilities in Section 3.1 of this Agreement and shall pay by wire transfer \$ in U.S. Dollars (the "Purchase Price") to the Seller at the Closing.
