RECITALS

A. GMG, as successor by merger with Global Motorsport Parts, Inc., and Administrative Agent are parties to that certain Grant of Patent Security Interest dated as of August 27, 2002 (the "Original Patent Agreement"), pursuant to which GMG granted to Administrative Agent a security interest in certain assets to secure payment and performance of certain obligations described therein.

B. GMG and Administrative Agent are parties to that certain Grant of Trademark Security Interest Agreement dated as of August 27, 2002 (the "Original Trademark Agreement"), pursuant to which GMG granted to Administrative Agent a security interest in certain assets to secure payment and performance of certain obligations described therein.

C. Pursuant to that certain Amended and Restated Credit Agreement of even date herewith by and among Grantors, Agents and Lenders (including all annexes, exhibits and schedules thereto, as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), which Credit Agreement amends and restates the terms of that certain Amended and Restated Credit Agreement dated as of February 5, 2001 (such agreement, as amended to date, the "Existing Credit Agreement"), among Grantors, Agents and the lenders party thereto, Agents and Lenders have agreed to make certain financial accommodations to or for the direct or indirect benefit of Grantors.

D. Grantors and Administrative Agent desire to amend and restate the Original Patent Agreement and the Original Trademark Agreement (collectively, the "Original Agreements") in a single document in order to, among other things, (i) with respect to GMG, reaffirm and continue in effect the grant of security interests and Liens under the Original Agreements, and (ii) with respect to each of Manufacturing, Holdings, Europe and Far East, grant to Administrative Agent, for the benefit of Agents and Lenders, a continuing Lien on its respective Collateral to secure the Obligations.

E. In order to induce Agents and Lenders to extend such financial accommodations as provided for in the Credit Agreement, Grantors have agreed to execute and deliver to Administrative Agent, for the benefit of Agents and Lenders, that certain Amended and Restated Security Agreement of even date herewith made by Grantors in favor of Administrative Agent, for the benefit of Agents and Lenders (as amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement").

AGREEMENT

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor and Administrative Agent hereby agree as follows:

The Lien granted pursuant to this Agreement is granted in conjunction with the Liens granted to Administrative Agent, for the benefit of Agents and Lenders, pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Administrative Agent with respect to the Liens granted under this Agreement are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

4. Amendment And Restatement. This Agreement amends and restates in its entirety each of the Original Agreements. Neither this Agreement, the Credit Agreement nor any of the other Loan Documents being executed in connection herewith shall constitute an accord and satisfaction or a novation of the obligations evidenced by the Original Agreements or the other "Loan Documents" (as such term is defined in the Existing Credit Agreement).
