PATENT, INVENTION AND KNOW-HOW ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Selas Corporation of America, a Pennsylvania corporation, having its principal place of business at 1260 Red Fox Road, Arden Hills, MN, USA 55112 (hereinafter "Assignor"), confirms that it has sold, transferred and assigned, and by these presents does hereby sell, transfer and assign to Selas Heat Technology Company LLC (hereinafter "Assignee"), all of Assignor's right, title, and interest in and to all inventions, trade-secrets and know how used in the Business and any patents and/or patent applications used in the Business (hereinafter "Patents"), including but not limited to all of the Patents identified in the Schedule attached to and forming a part of this Assignment and with all of Assignor's rights of protection throughout the world, including but not limited to any reissues, extensions and applications which are continuations, continuations-in-part, substitutes, divisions, or renewals. Assignor hereby further sells, assigns, transfers, and sets over unto Assignee, all of Assignor's right, title, and interest in and to the aforesaid Patents in the United States and each and every country foreign to the United States; and Assignor further conveys to Assignee all priority rights resulting from the Patents, and all causes of action for infringement arising prior to and after the date of this Assignment.

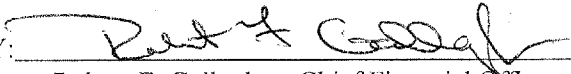

This Patent, Invention and Know-How Assignment is given pursuant to the terms of that certain Asset Purchase Agreement between Assignor and Assignee dated as of March 31, 2005 (the "Purchase Agreement"). The terms and conditions of the Purchase Agreement are incorporated herein by reference. All capitalized terms used herein not otherwise defined shall have the same meanings as set forth in the Purchase Agreement. In the event of a conflict or inconsistency between the provisions of this Patent, Invention and Know-How Assignment and the provisions of the Purchase Agreement, the provisions of the Purchase Agreement will prevail.
