## **SECURITY AGREEMENT (PATENTS & TRADEMARKS)**

**WHEREAS** The Gem Group, Inc., a Massachusetts corporation (the "Pledgor"), having an address at Nine International Way, Lawrence, Massachusetts 01843, is the respective owner and user, as indicated on Schedule A, of the United States registered trademarks and/or trademark applications filed with the United States Patent and Trademark Office listed on the attached Schedule A (collectively, the "Trademarks") and patents and patent applications filed with the United States Patent and Trademark Office listed on the attached Schedule B (collectively the "Patents");

**WHEREAS** the Pledgor is a borrower under the terms of a certain Second Amended and Restated Credit and Security Agreement, dated as of October 29, 2004 (as amended from time to time, the "Credit Agreement") among the Pledgor, the guarantors from time to time party thereto, and Fleet Capital Corporation, as Lender (the "Lender"), pursuant to which the Pledgor has granted to the Lender, a security interest in, among other things, the Trademarks and the Patents;

**WHEREAS** the parties to the Credit Agreement contemplate and intend that, if an Event of Default (as defined in the Credit Agreement) shall occur and be continuing, the Lender shall have all rights of a secured party in and to the Trademarks (except intent-to-use applications until such time as a verified statement of use is filed with respect to such application), any Patents and any proceeds thereof, including, without limitation, the right to exercise its remedies under the Credit Agreement in connection with the Pledgor's right, title and interest in the Trademarks and Patents;

**NOW**, therefore, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Pledgor hereby agrees as follows:

The Pledgor hereby reconfirms the terms of the Credit Agreement. The Pledgor further hereby pledges and mortgages to the Lender, and grants to the Lender, a security interest in, all of the Pledgor's right, title and interest in and to the Trademarks and the Patents, together with the goodwill of the business symbolized by the Trademarks, the registrations and/or applications for registration of the Trademarks and the Patents, and all of the Pledgor's rights in and to any and all causes of action heretofore or hereafter accrued or accruing for infringement or threatened or alleged infringement of the Trademarks or the Patents, and all proceeds of any and all of the foregoing (collectively, the "Trademark and Patent Collateral").

The pledge and mortgage of, and grant of security interest in, the Trademark and Patent Collateral by the Pledgor pursuant hereto secures the payment of all Obligations (as defined in the Credit Agreement) now or hereafter existing under or in respect of the Credit Agreement and the other Loan Documents (as defined in the Credit Agreement).

The Pledgor authorizes and requests that the Commissioner of Patents and Trademarks and any other applicable United States government officer record this Security Agreement.

This Security Agreement has been entered into in connection with the Credit Agreement, and the Pledgor hereby acknowledges and agrees that the pledge, mortgage and grant of security interest hereunder to the Lender, and the rights and remedies of the Lender with respect to the Trademark and Patent Collateral, are more fully set forth in the Credit Agreement, the terms and provisions of which are incorporated herein by reference.

This Security Agreement shall be governed by, and construed in accordance with the laws of the Commonwealth of Massachusetts.

This Security Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single agreement.
