**WHEREAS**, Huber Engineered Woods LLC of 10925 David Taylor Drive, Charlotte, NC 28262, is desirous of acquiring the entire right, title and interest of said inventions in all countries;

**NOW, THEREFORE**, for good and valuable consideration, the receipt of which is hereby acknowledged, J.M. Huber Corporation hereby sells, assigns and transfers unto Huber Engineered Woods LLC, its successors and assigns, its entire right, title and interest to said inventions in all countries, including the right to sue for any and all infringement of the United States patents listed above and occurring prior to the date of this Assignment, and all the rights and privileges under any and all application and Letters Patent which have or may be granted therefore, and any divisions, continuations, reissues and extensions thereof.

J.M. Huber Corporation agrees that, when requested, it will, without charge to Huber Engineered Woods LLC, but at its expense, sign all papers, take all rightful oaths, make all rightful declarations, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents or other forms of protection for said inventions in any and all countries, and for vesting title thereto in Huber Engineered Woods LLC, its successors, assigns or nominees.

J.M. Huber Corporation agrees to communicate to Huber Engineered Woods LLC, or its representatives, any facts known to it respecting said inventions and, when requested by Huber Engineered Woods LLC, and at its expense, will provide testimony in any legal proceedings, and generally do everything possible to aid Huber Engineered Woods LLC, its successors, assignees, and legal representatives or nominees, to obtain or enforce proper protection for said inventions in any and all countries.

J.M. Huber Corporation authorizes and empowers Huber Engineered Woods LLC, its successors, assigns or nominees, to make application for patent or other form of protection for said inventions in its own name, in any and all countries, and to invoke and claim for any application for patent or other form of protection for said inventions filed by Huber Engineered Woods LLC, the benefit of the right or priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from J.M. Huber Corporation.

J.M. Huber Corporation hereby consents that a copy of this Assignment shall be deemed a full, legal and formal equivalent of any Assignment, consent to file or like document, which may be required in any country for any purpose, and more particularly, in proof of the right of said assignee or its successors, assigns or nominees to apply for patent or other proper protection for said inventions, and to claim the aforesaid benefits of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

J.M. Huber Corporation covenants with Huber Engineered Woods LLC, its successors, assigns, legal representatives and nominees that to the best of its knowledge, the right, title and interest herein conveyed is free and clear of any encumbrance, and that J.M. Huber Corporation has full right to convey the same as herein expressed.
