ASSIGNMENT

WHEREAS **Hauni Maschinenbau AG**, Germany, hereinafter referred to as the assignor, is the owner of the entire right, title, and interest in and to the United States Letters Patent listed on Schedule A attached hereto and the invention disclosed therein;

AND **Hauni Primary GmbH**, having an address at Kurt-A.-Körber-Chaussee 8-32, D-21033 Hamburg, Germany, hereinafter referred to as the assignee, is desirous of acquiring the entire right, title and interest in and to the said patents and/or patent applications, and inventions, including any continuations, divisions, renewals, reissues and prolongations thereof;

NOW THIS WITNESSETH, that for and in consideration of One Dollar (\$1.00), and other good and valuable consideration paid by said assignee to assignor, the receipt of which is hereby acknowledged, the assignor hereby assigns, sells and transfers to said assignee, and said assignee's successors and assigns, the entire and exclusive right, title and interest in and to said patents and / or patent application including patents issuing thereon, and inventions, including any and all continuations, divisions, renewals, reissues and prolongations thereof; said assignees, and said assignee's successors and assigns, to have, hold, exercise and enjoy the said inventions, patents, patent applications, including any and all continuations, divisions, renewals, reissues and prolongations, thereof, with all the rights, powers, privileges and advantages in anywise arising from or appertaining thereto, for and during the term of such patents, including any all renewals, reissues and prolongations thereof and patents issuing on such applications, continuations and divisions, for the use and benefit of said assignee, and said assignee's successors and assigns, in as ample and beneficial manner as the said assignor might or could have held and enjoyed the same, if this assignment had not been made.

AND the assignor agrees to perform, upon the request of said assignee, or said assignee's successors or assigns, any and all acts relating to the asserting of the said patents, including any all renewals, reissues and prolongations thereof.

AND said assignor hereby agrees to perform, upon the request of said assignee, or said assignee's successors or assigns, any and all acts relating to the obtaining or to the asserting of said patents, including any and all continuations, divisions, renewals, reissues and prolongations thereof.

AND said assignor authorize and request the Commissioner of Patents and Trademarks to issue Letters Patent on such applications and on any and all divisions and continuations thereof, to said assignee, and said assignee's successors and assigns, in accordance herewith.

This assignment includes the transfer of the right which the assignor has or may have in recovering damages for past infringement of said patents.
