## PATENT ASSIGNMENT

WHEREAS **Teleflex GFI Control Systems L.P.**, a limited partnership organized under the laws of Ontario, whose full post office address is 100 Hollinger Crescent, Kitchener, Ontario, N2K 2Z3 (the "Assignor"), is the sole and absolute owner of an invention entitled "GAS FLOW REGULATION SYSTEM", and which is the subject of the patents and patent applications set out in the attached Schedule "A" (collectively, the "Patents"), and;

AND WHEREAS the Assignor has agreed that **Teleflex GFI Control Systems Inc.**, a corporation incorporated under the laws of Canada, whose full post office address is 100 Hollinger Crescent, Kitchener, Ontario, N2K 2Z3 (the "Assignee"), shall acquire the exclusive right, title and interest in and to the Patents, and in and to the right to sue for past infringement and to collect for all past, present and future damages;

NOW THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration paid to the Assignor by the Assignee, the receipt and sufficiency of which is hereby acknowledged, the Assignor confirms that it has sold, assigned and transferred and does hereby sell, assign, transfer and set over unto the said Assignee and its successors and assigns, its whole right, title and interest throughout the world in and to the Patents, including any and all divisionals or continuations thereof, and any improvements thereto and all patent applications for said improvements and patents which may be issued for said improvements throughout the world, to have and to hold for the use of the Assignee and the use of its successors and assigns as fully and entirely as the same might be enjoyed by the Assignor if this sale and assignment had not been made.

AND FOR THE SAME CONSIDERATION the Assignor agrees that it will, without further consideration, do all such things and execute all such documents as may reasonably be necessary or desirable to obtain and maintain patents for the inventions and for any improvements thereto in Canada and to vest title to the inventions in the Assignee, its successors, assigns and legal representatives or nominees.

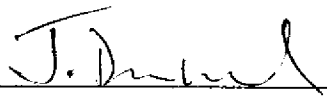

AND FOR THE SAME CONSIDERATION the Assignor does hereby sell, assign, transfer and set over unto the Assignee, its successors and assigns, the Assignor's interests in such causes of action relating to or arising from infringements of the Patents and in such other causes of action relating to the Patents as the Assignor may have.

AND FOR THE SAME CONSIDERATION the Assignor agrees to do all things necessary, including signing of documents where requested, to facilitate, assist, and aid Assignee in acquiring registration of patents and industrial designs throughout the world in the said Patents.
