PATENT SECURITY INTEREST ASSIGNMENT

WHEREAS, Landis Plastics, Inc. (the "Assignor") has made certain representations and warranties in the Pledge Agreement (as defined below) and related documents with respect to the patents listed on the annexed Schedule 1A, which patents are issued or applied for in the United States Patent and Trademark Office (the "Patents");

WHEREAS, the Assignor, has entered into a Pledge Supplement, dated November 20, 2003, to the Pledge and Security Agreement, dated July 22, 2002 (the "Pledge Agreement"), in favor of Fleet National Bank, as the Collateral Agent (the "Assignee");

WHEREAS, pursuant to the Pledge Agreement, the Assignor has assigned to the Assignee and granted to the Assignee for the benefit of the lenders a continuing security interest in all right, title and interest of the Assignor in, to and under the Patents and the applications and registrations thereof (if any) and all continuations in part, reissues, divisions, extensions and rights of priority concerning the foregoing, and all proceeds thereof, including, without limitation, any and all causes of action which may exist by reason of infringement thereof (the "Collateral"), to secure the payment, performance and observance of the Secured Obligations (as defined in the Pledge Agreement);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor does hereby pledge, convey, assign, and set over unto the Assignee and grants to the Assignee for the benefit of the lenders, a continuing security interest in the Collateral to secure the prompt payment, performance and observance of the Secured Obligations.

The Assignor does hereby further acknowledge and affirm that the rights and remedies of the Assignee with respect to the Collateral are more fully set forth in the Pledge Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein.
