Title: ANIMALS COMPRISING HUMAN HEPATOCELLULAR TISSUE		

For good and valuable consideration, the receipt of which is hereby acknowledged,

**The Board of Trustees of the Leland Stanford Junior University,**

a non-profit organization duly organized under the laws of the state of California, having its principal place of business located at 1705 El Camino Real, Palo Alto, California 94306-1106, and having acquired right, title and interest for the United States and its territorial possessions and in all foreign countries in and to, any and all improvements which are disclosed in the invention entitled:

**"ANIMALS COMPRISING HUMAN HEPATOCELLULAR TISSUE"**

which is found in U.S. Application Serial No. 09/614,658 filed on July 12, 2000, (referred to hereafter as the "INVENTION") by virtue of:

an assignment from the inventors Mark A. Kay, and Kazuo Ohashi to The Board of Trustees of the Leland Stanford Junior University, recorded on July 12, 2000 at Reel/Frame Nos. 010932/0992.

while retaining the right, title and interest in the invention acquired from the inventor Kazuo Ohashi by virtue of said assignment,

hereby sells, assigns and transfers an undivided interest in the entirety of those rights transferred to The Board of Trustees of the Leland Stanford Junior University by the inventor Mark A. Kay, to

**University of Washington**

a public institution of higher education having a place of business at 4311 Eleventh Avenue, NE, Suite 500, Seattle, Washington 98105-4608. This assignment by The Board of Trustees of the Leland Stanford Junior University to University of Washington extends to University of Washington's successors, assigns and legal representatives and is for an undivided interest in all of The Board of Trustees of the Leland Stanford Junior University's right, title and interest in the rights acquired from inventor Mark A. Kay for the United States and its territorial possessions and in all foreign countries in and to, any and all improvements which are disclosed in the INVENTION and any legal equivalent thereof in a foreign country, including the right to claim priority and, in and to, all Letters Patent to be obtained for said invention by the above application or any continuation, division, continuation-in-part, extension, conversion to 35 USC 111 (a) or substitute thereof, and any reissue, reexamination or extension of said Letters Patent and all rights under all International Conventions for the Protection of Industrial Property;

The Board of Trustees of the Leland Stanford Junior University hereby covenants that no assignment sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment;

The Board of Trustees of the Leland Stanford Junior University further covenants that University of Washington will, upon its request, be provided promptly with all pertinent facts and documents relating to said invention and said Letters Patent and legal equivalents as may be known and accessible to The Board of Trustees of the Leland Stanford Junior University and will testify as to the same in any interference, litigation, or proceeding relating thereto and will promptly execute and deliver to University of Washington or its legal representative any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue or enforce said application, said invention and said Letters Patent and said equivalents thereof which may be necessary or desirable to carry out the purposes thereof. An attorney of record is authorized and requested by the execution of this assignment to insert into this assignment the filing date and serial number of said application when officially known.

AND The Board of Trustees of the Leland Stanford Junior University requests the Commissioner of Patents and Trademarks to issue said Letters Patent of the United States and any reissue or extension thereof to

**The Board of Trustees of the Leland Stanford Junior University and the University of Washington**

In accordance with 37 CFR §3.73(b) I hereby certify that I am empowered to act on behalf of the The Board of Trustees of the Leland Stanford Junior University of the above-identified patent application.

I declare that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Title 18, United States Code '1001 and that such willful false statements may jeopardize the validity of the above referenced application or any patent resulting from that application.
