ASSIGNMENT

Whereas, Daymark Medical Industries, Inc., formerly a Wisconsin corporation having a principal place of business at 505 Capital Drive, Pewaukee, Wisconsin, USA (hereinafter "Assignor"), is the owner of record of United States Letters Patent No. 5,407,807 which issued on April 18, 1995 according to the records of the United States Patent and Trademark Office;

Whereas, Assignor and IDI Technologies Limited, a company having a principal place of business at Flat 31, 79 Gloucester Street, London SW1V 4BA, United Kingdom (hereinafter "Assignee") desire to memorialize the fact that Assignee has acquired the entire right, title and interest in and to said patent, and the invention therein described;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Assignor does hereby assign, transfer and set over to Assignee, all of Assignor's right, title and interest in and to said patent within the United States of America and its territorial possessions and in and to any and all divisionals, reissues, substitutions, continuations and continuations-in-part thereof and in and to any letters patent that may be granted thereon, together with the right to extend the protection of such patent to the various territorial possessions now owned or which may be hereafter acquired by the United States of America and all foreign countries, and the right to sue for damages for all infringements thereof, all said rights to be held and enjoyed by Assignee, for its own use and enjoyment and for the use and enjoyment of its successors and assigns to the end of the full term of said patent as fully and entirely as the same would have been held and enjoyed by Assignor, if this assignment, transfer and sale had not been made.
