ASSIGNMENT

WHEREAS, École de Technologie Supérieure, a Canadian corporation having a place of business at 1100 Notre Dame Street West, Montreal, Quebec, Canada H3C 1K3 (hereafter "the Assignor") has been assigned certain inventions which are described in a national phase application for Letters Patent of the United States corresponding to PCT/CA02/00658, filed May 2, 2002, and entitled METHOD AND SYSTEM FOR MEASURING THE ENERGY OF A SIGNAL, and

WHEREAS, Socovar, s.e.c., a Canadian corporation having a place of business at 550 Sherbrooke Street West, Suite 100, Montreal, Quebec, Canada H3A 1B9 (hereafter "the Assignee") is desirous of acquiring the entire interest in said inventions throughout the United States of America and the territories thereof, for all other countries and under all international agreements,

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) to us in hands paid, and other good and valuable consideration, receipt whereof is hereby acknowledged, we hereby sell, assign and transfer unto said Assignee, its successors and assigns, the entire right, title and interest throughout the United States of America and the territories thereof, for all foreign countries and under all international agreements in and to said inventions, the aforesaid application, all other applications hereafter filed in the United States, in any other country, or under any international agreement based in whole or in part on said inventions, and all Letters Patents granted upon said applications by the United States, by any other country or under any international agreement, and we do hereby authorize and request the Director of the United States Patent and Trademark Office to issue said Letters Patent to said Company. We further grant to said Assignee, its successors and assigns, the right to claim for any of said applications the full benefits and priority rights of any international agreement between the United States and any foreign country or countries or between any other countries.

We hereby warrant that we have the full right to make the conveyance herein, and we hereby covenant that we, our heirs, legal representatives and assigns, will when requested, communicate to said Assignee, its representatives, successors and assigns, all facts known respecting said inventions, execute all divisional, continuing, reissue, reexamination and foreign or international applications, together with individual assignments therefor, make all rightful oaths, sign all lawful papers, testify in any legal proceeding and generally do everything possible to aid said Assignee, its successors and assigns, in the obtaining of Letters Patent.

IN TESTIMONY WHEREOF, we have hereunto set our hands and seal on the date and at the place indicated next to our signatures.
