are the inventors of the invention in Method and Device for Cooling Printing Stock and Printing Presses.

[X] for which an application for a United States Patent was filed on July 26, 2004 as Application No.
10/899,333 and

[] for which an application for a United States Patent is submitted herewith; and

WHEREAS, Koenig & Bauer AG, a German company, whose address is Friedrich-Koenig Str. 4,
97080 Würzburg, Germany, ASSIGNEE is desirous of obtaining the entire right, title and interest in, to and
under the said invention and the said application:

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to us in hand paid, and other
good and valuable consideration, the receipt of which is hereby acknowledged, we, the said ASSIGNORS, have
sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto
the said ASSIGNEE, its successors, legal representatives and assigns, the entire right, title and interest in, to and
under the said invention, and the said United States application and all divisions, renewals and continuations
thereof, and all Patents of the United States which may be granted thereon and all reissues and extensions
thereof; and all applications for industrial property protection, including, without limitation, all applications for
patents, utility models, and designs which may hereafter be filed for said invention in any country or countries
foreign to the United States, together with the right to file such applications and the right to claim for the same
the priority rights derived from said United States application under the Patent Laws of the United States, the
International Convention for the Protection of Industrial Property, or any other international agreement or the
domestic laws of the country in which any such application is filed, as may be applicable; and all forms of
industrial property protection, including, without limitation, patents, utility models, inventors' certificates and
designs which may be granted for said invention in any country or countries foreign to the United States and all
extensions, renewals and reissues thereof;

AND WE HEREBY authorize and request the Commissioner of Patents and Trademarks of the United
States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents
or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the
said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this
instrument.

AND WE HEREBY covenant and agree that we have full right to convey the entire interest herein
assigned, and that we have not executed, or will not execute, any agreement in conflict herewith.

AND WE HEREBY further covenant and agree that we will communicate to the said ASSIGNEE, its
successors, legal representatives and assigns, any facts known to us respecting said invention, and testify in any

legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue and foreign applications, make all rightful oaths, and generally do everything possible to aid the said **ASSIGNEE**, its successors, legal representatives and assigns, to obtain and enforce proper protection for said invention in all countries.
