INVENTION/PATENT APPLICATION ASSIGNMENT
FROM INVENTOR(S) TO COMPANY

We:

- Laurent AUBANEL, residing at Route des Dombes Sur cote, 01320 Villette Sur Ain, France;
- Laurent DAM, residing at 240 Chemin des Valettes, Les Carronnieres, 01160 Priay, France; and
- Patrick MAGNIER, residing at Le Village, 38390, Parmilieu, France,

have made a certain new and useful invention as set forth in an application for United States Patent Application 10/894 423, entitled:

Poste de controle de peinture de pieces de vehicules automobiles
and filed by us on July 19, 2004.

Compagnie Plastic Omnium ("CPO"), a corporation of France, having an address at 19, avenue Jules Carteret, 69007 Lyon, France, is desirous of acquiring the entire right, title and interest in and to the invention and in and to any and all Letters Patent of the United States and foreign countries that may be obtained therefor;

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we do hereby sell, assign, transfer and set over unto CPO, its legal representatives, successors, and assigns, the entire right, title and interest in and to the invention as set forth in the above-mentioned application, including any continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries that may be issued for the invention;

We will not execute any writing or do any act whatsoever conflicting with these presents, and we will, at any time upon request, without further or additional consideration but at the expense of CPO, execute such additional assignments and other writings and do such additional acts as CPO may deem necessary or desirable to perfect its enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on the invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of CPO and its assigns.

We request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States that may be issued for the invention to CPO, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to the patent and the invention covered thereby.
