ASSIGNMENT

WHEREAS, we, James C. LeBlanc, Sr., a citizen of the United States of America, residing at 2009 Victoria Hill, in the City of Rochester and the State of Michigan, United States of America, James C. LeBlanc, Jr., a citizen of the United States of America, residing at 11322 Hazelnut Court, in the Town of Washington and the State of Michigan, United States of America, and Paul D. Bentley, a subject of the United Kingdom, residing at 947 Briston Drive, in the City of Rochester and the State of Michigan, United States of America, have made an invention entitled Steering System for Automotive Vehicles for which we have filed U.S. Patent Application, Serial No. 10/969,911, on October 22, 2004; and

WHEREAS, J.C.L. Technology, L.L.C., a limited liability company organized and existing under the laws of the State of Michigan, United States of America, having its principal place of business at 2009 Victoria Hill, in the City of Rochester and the State of Michigan, United States of America, is desirous of acquiring an interest in said invention, said patent application, the right to file additional patent applications on said invention and any patents issuing thereon.

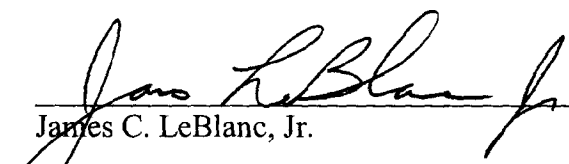

NOW, THEREFOR, in consideration of Ten Dollars (\$10.00), in currency of the United States of America, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we, James C. LeBlanc, Sr., James C. LeBlanc, Jr., and Paul D. Bentley by these presents, do hereby sell, assign and transfer unto said J.C.L. Technology, L.L.C., our entire right, title and interest in and to said invention as described and claimed in said U.S. Patent Application, together with the right to file additional applications for patents on said invention in all foreign countries, including all rights of priority created or conferred by any international convention or treaty to which the United States of America is a party or signatory,

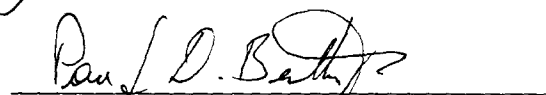

and in and to any patents that may be granted for said invention; said invention, applications for patents and patents and any continuations, continuations-in-part, divisions, reissues, extensions and renewals thereof, to be held and enjoyed by said J.C.L. Technology, L.L.C., for its own use and behoof and for its legal representatives and assignees, to the full ends of the terms for which said patents may be granted as fully and entirely as the same would have been held by us had this sale, assignment and transfer not been made.

For the same consideration, we hereby covenant and agree that we will and that our legal representatives shall execute and deliver any and all applications, papers, assignments, powers of attorney and other instruments that said J.C.L. Technology, L.L.C. may consider necessary or advisable to secure letters patents or other forms of protection of the United States of America and all foreign countries for said invention, and any continuations, continuations-in-part, divisions, reissues, extensions and renewals thereof, and to vest and confirm in said J.C.L. Technology, L.L.C. the full and complete legal and equitable title to said invention, applications for patents and other forms of protection, without further consideration than that now paid but at the expense of said J.C.L. Technology, L.L.C.

Executed this 18 day of November, 2004

James C. LeBlanc, Sr.

James C. LeBlanc, Jr.
