ASSIGNMENT

FOR VALUE RECEIVED, WE, Katsuhiko KAWASAKI, Yasuhiro KOMORI and Tsuyoshi YAGISAWA  
citizens of Japan

hereby sell, assign, transfer and convey unto CANON KABUSHIKI KAISHA  
a corporation of Japan

having a place of business at 3-30-2, Shimomaruko, Ohta-ku, Tokyo, Japan

its successors, assigns and legal representatives (hereinafter called the "Assignee"), the entire right, title, and interest,  
for all countries, in and to certain inventions relating to

ARTICLE STORAGE APPARATUS, ARTICLE STORING METHOD FOR THE APPARATUS, AND  
CONTROL PROGRAM FOR IMPLEMENTING THE METHOD

and described in an application for Letters Patent of the United States which is filed concurrently herewith and was  
executed by us, respectively, in and to said application, and all divisions, renewals and continuations thereof, and all  
Letters Patent of the United States which may be granted thereon, and all reissues and extensions thereof, and all  
applications for Letters Patent or other grants of protection of proprietary rights including, but not limited to,  
inventor's certificate, utility model, utility certificate, patent of importation, registration of patent and industrial  
design registration which may be filed, and which may be granted, upon said inventions in any countries or regions  
foreign to the United States, and all reissues, renewals and extensions thereof; and we hereby authorize and request  
the Commissioner for Patents and Trademarks of the United States, and all officials of countries or regions foreign to  
the United States having authority to do so, to issue all such Letters Patent or other grants of protection upon said  
inventions to the Assignee or to such nominees as it may designate.

AND we authorize and empower the said Assignee or nominees to invoke and claim for any application for  
such Letters Patent or other grants of protection for said inventions filed by it or them, the benefit of the right of  
priority provided by the international Convention for the Protection of Industrial Property, as amended, or by a  
convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further  
written or oral authorization from us.

AND we hereby consent that a copy of this assignment shall be deemed a full and formal equivalent of any  
assignment, consent to file or like document which may be required in any country or region for any purpose and  
more particularly in proof of the right of the said Assignee or nominees to claim the aforesaid benefit of the right of  
priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any  
convention which may henceforth be substituted for it.

AND we hereby covenant that we have the full right to convey the entire right, title and interest herein assigned  
and that we have not executed and will not execute any agreement in conflict herewith.

AND we hereby covenant and agree that we will communicate to said Assignee or nominees all facts known to  
us pertaining to said inventions, and testify in all legal proceedings, sign all lawful papers, execute all divisional,  
continuing and reissue applications, make all rightful oaths and declarations and in general perform all lawful acts  
necessary or proper to aid said Assignee or nominees in obtaining, maintaining, and enforcing all lawful patent or  
other grants of protection of said inventions in any and all countries and regions.
