PATENT APPLICATION

Docket No: 15709.6.11

ASSIGNMENT

WHEREAS VINCENT J. MEMMOTT, JOHN D. HILLAM, and RICHARD D. PETERSON, of 82 West 1400 North, Centerville, Utah, 84014, 585 West 2600 South, Perry, Utah 84302 and 1950 South 250 West, Perry, Utah 84302, respectively ("Assignors"), are listed as inventors in the Patent Application entitled PERFORMING TEMPERATURE STANDARDIZATION OF THE VOLUME OF A LIQUID PRODUCT AT ONE OR MORE POINTS OF PHYSICAL MEASUREMENT, identified as File No. 15709.6.11 of the law firm of Workman Nydegger, 1000 Eagle Gate Tower, 60 East South Temple, Salt Lake City, Utah 84111, and filed in the United States Patent and Trademark Office as Serial No. 11/062,323 on February 18, 2005; and

WHEREAS, FLYING J, INC., a corporation of the State of Utah, having a principal place of business at 1104 Country Hills Drive, 7th Floor, Ogden, Utah 84403 ("Assignee") desires to purchase and acquire the entire right, title, and interest in and to said Patent Application and the inventions and improvements disclosed therein;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignors do hereby assign, grant, transfer and convey to the Assignee, its successors and assigns:

all right, title, and interest in and to said Patent Application and all inventions and improvements therein disclosed, and all divisionals, continuations, continuations-in-part, and nonprovisional applications of or claiming priority to said Patent Application, and all other applications filed in the United States or countries foreign to the United States that correspond or claim priority to said Patent Application, and all United States and foreign Patents issuing on

said inventions or improvements or issuing from, corresponding to, or claiming priority to said Patent Application, and any reissues, reexaminations, or extensions of said Patents;

the right to file and prosecute foreign patent applications on said inventions and improvements disclosed in said Patent Applications in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such applications; and

the right to sue for past, present, and/or future infringement of said Patents and to collect damages therefor.

The Assignors hereby authorize and request the United States Commissioner of Patents and Trademarks, and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue patents, to issue any and all patents on said inventions and improvements disclosed in said Patent Application to the Assignee as the owner of the entire interest, for the sole use and behoof of the said Assignee, its successors, assigns and legal representatives.

The Assignors hereby further agree, without further consideration and without expense to Assignors to sign all lawful papers and to perform all other lawful acts which the Assignee may reasonably request of the Assignors to make this Assignment fully effective, including, by way of example but not of limitation, the following:

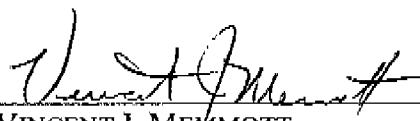

prompt performance of all other acts and execution of all additional documents reasonably requested by the Assignee or its successors or assigns to further the prosecution, maintenance, enforcement, or recordation of said Patent Application, and the inventions and improvements therein disclosed, including, without limitation, the execution and delivery of all original, divisional, continuation, substitute, reissue and other patent applications on said inventions and improvements therein disclosed that may be required in the United States or any foreign country; and

cooperation to the best of our ability in the execution of all lawful documents, the production of evidence, and in any nullification, reissue, extension, or infringement proceedings involving said inventions and improvements.

In Testimony Whereof, VINCENT J. MEMMOTT, JOHN D. HILLAM and RICHARD D.
