ASSIGNMENT

For value received, **Iareanet Inc.**, a corporation of the State of New York, having an office at 1267 68th Street, Brooklyn, New York 11219 (hereafter, "I") hereby sells, assigns and transfers to **Internet Area Network Inc.**, a corporation of the State of New York, having an office at 462 Eltingville Blvd., Staten Island NY 10312 (hereafter "ASSIGNEE"), and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **ACCESS-CENTRIC INTERNET AREA NETWORK** described in U.S. patent application serial no. **10/741,883**, filed **December 19, 2003**, and for all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and also concurrently hereby sells, assigns and transfers to ASSIGNEE the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the aforesaid application, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

I authorize ASSIGNEE to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from me, any and all benefits, including the right of priority provided by any and all treaties, conventions or agreements.

I hereby consent that a copy of this document shall be deemed a full legal and formal equivalent of any document that may be required in any country in proof of the right of ASSIGNEE to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I request that any and all patents for said inventions be issued to ASSIGNEE in the United States and in all countries foreign to the United States, or to such nominees as ASSIGNEE may designate.

I agree that, when requested, I shall, without charge to ASSIGNEE but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
