ASSIGNMENT OF LETTERS PATENT

WHEREAS, SPECTRO DYNAMIC SYSTEMS, LLC, ("Assignor"), a Georgia limited liability company, does own unencumbered fee simple absolute in Letters Patent of the United States No. 4,624,798 (the "Patent"), dated November 25, 1986, as more fully identified in Exhibit A attached hereto and the invention embodied therein; and

WHEREAS, Owen B. J. Graham ("Assignee"), a resident of Australia, is desirous of acquiring the entire interest in the Patent; and

WHEREAS, Assignor and Assignee have entered into an acquisition agreement (the "Acquisition Agreement") effective December 1, 2004, for the transfer of ownership in the Patent, the terms and conditions of which Acquisition Agreement are herein incorporated by reference;

NOW THEREFORE, To All Whom It May Concern, be It known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor has sold and by these presents does hereby sell, assign, transfer, and convey unto Assignee, its successors and assigns, the entire right, title, and interest in and to the invention, the Patent, the application therefor, and in and to any and all continuations, continuations-in-part, divisionals, renewals, and extensions thereof, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues thereof which may be granted therefor or thereon, together with the right to claim the priority of said application in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made.

Assignor further covenants and agrees that, at the time of the execution and delivery of these presents, it possesses full title to the invention and application above-mentioned, and that it has the unencumbered right and authority to make this assignment.

Page 1 of 2

Assignor further covenants and agrees and binds its legal representatives and assigns promptly to communicate to Assignee or its representatives any facts known to Assignor or to them relating to said invention, to testify in any interference or legal proceedings involving said invention, to execute any additional papers which may be requested to confirm the right of Assignee, its representatives, successors, or assigns, to secure patent or similar protection for said invention in all countries and to vest in Assignee complete title to said invention and Letters Patent, without further compensation, but at the expense of Assignee, its successors, assigns, and other legal representatives.

Executed this 20 day of December 2004.
