WHEREAS, in connection with the Junior Intercreditor Agreement, Solutia has entered into an Amended, Restated and Novated Junior Security Agreement, dated October 8, 2003 (the "Junior Security Agreement"), in favor of the Collateral Agent;

WHEREAS, pursuant to the Junior Security Agreement, Solutia has pledged, conveyed, sold, assigned, transferred and set over unto the Collateral Agent and granted to the Collateral Agent for the benefit of the Trustee a continuing junior security interest in the Collateral (as defined in the Junior Security Agreement), including the patents set forth on Schedule A hereto (the "Astaris Patents"), to secure the prompt payment, performance and observance of the Junior

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, at Solutia's sole cost and expense, the Collateral Agent hereby, without recourse, representation or warranty, releases, terminates and extinguishes any and all of its right, title and interest in and to any and all liens and security interests it may have upon the Astaris Patents pursuant to the Junior Security Agreement (and any related short-form junior security agreement). This Release shall be binding upon the Collateral Agent's legal representatives, assigns, and successors. For the avoidance of doubt, nothing in this Release shall be deemed a representation or warranty with respect to the Collateral, Solutia's or Collateral Agent's right, title or interest therein or thereto.
