A S S I G N M E N T

For value received, we,

John B. Carlucci, and Louis D. Williamson, citizens of the United States of America,

who reside at:

2441 5th Avenue
Boulder, Colorado 80304;

2214 High Street
Denver, Colorado 80205, respectively

hereby sell, assign and transfer to Time Warner Cable, Inc., a Delaware corporation, having an office at 290 Harbor Drive, Stamford, Connecticut 06902, U.S.A., and its successors, assigns and legal representatives, the entire right, title and interest, for the United States, in and to certain inventions related to TECHNIQUE FOR EFFECTIVELY PROVIDING VARIOUS ENTERTAINMENT SERVICES THROUGH A COMMUNICATIONS NETWORK in an application for Letters Patent of the United States, Serial No. 11/000,844, filed on December 1, 2004, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to Time Warner Cable, Inc. the entire right, title and interest in and to said inventions for all countries foreign to the United States including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize Time Warner Cable, Inc. to make application for such protection in its own name and maintain such protection in the United States and in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from me, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Time Warner Cable, Inc. to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to Time Warner Cable, Inc. in the United States and in any and all countries foreign to the United States, or to such nominees as Time Warner Cable, Inc. may designate.

We agree that, when requested, we shall, without charge to Time Warner Cable, Inc., sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
