ASSIGNMENT

In consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, **WE**, the undersigned assignors, **SCOTT DISBENNETT**, a citizen of the United States, residing at 115 Timberlachen Circle, Suite 1023, Lake Mary, FL 32746 and **EDWARD T. ROBERTSON**, a citizen of the United States, residing at 991 Smokerise Blvd., Port Orange, FL 32127,

Hereby sell, assign and transfer to **METRA ELECTRONICS CORPORATION**, a Florida corporation, having a place of business 460 Walker Street Holly Hill, Fl 32117-2699, its successors, assigns and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to any and all improvements which are disclosed in the application for United States Design Letters Patent, which has been executed concurrently herewith by the undersigned and is entitled **FUSED DISTRIBUTION BLOCK**, and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications or issued Letters Patent, upon said improvements; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said improvements; and

Agree that Assignee may apply for and receive Letters Patent for said improvements in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all of said improvements; execute all rightful oaths, assignments, powers of attorney, and other papers; communicate to said Assignee, its successors, assigns, and representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no Assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, that full right to convey the same as herein expressed is possessed by the undersigned.
