ASSIGNMENT

For valuable consideration received from **Key Safety Systems, Inc.**, a corporation organized and existing under the laws of the State of Delaware and having an office and place of business at 7000 Nineteen Mile Road, Sterling Heights, Michigan 48314, United States of America; **Martin Pieruch** residing at Frankfurter Str. 33, 65239 Hochheim, Germany; inventor and owner of an invention entitled **ATTACHMENT OF AIRBAG MODULE TO VEHICLE** which has been assigned Attorney's docket no. 1585 US as set forth in the application signed by me, does hereby sell, assign, and transfer unto **Key Safety Systems, Inc.**, the entire right, title and interest, for the United States of America and the Territories thereof and for all foreign countries and territories, in and to said invention (including the above-referenced patent application and any foreign equivalents thereof, any continuation, continuation-in-part, or division thereof, and any patent, reissue, extension or reexamination based thereon); and I authorize and request the Commissioner of Patents and Trademarks to issue any letters patent issuing on said invention to **Key Safety Systems, Inc.** in accordance herewith; this assignment being under covenant that I have full power to make the same, and also that such assigned right is not encumbered by any grant, license or other right heretofore given, and that I will do any further lawful act desired by this assignee in the prosecution of such application, and any and all other applications, United States or foreign, which may be filed on said invention by me or on my behalf.

I hereby authorize and request the attorneys appointed by me in said application to record on this assignment the Serial No. and filing date of said application when such are ascertained.

Martin Pieruch
