Atty. Docket No. VIT-1A

## ASSIGNMENT

**Robert A. Vito**, residing at 1434 Sugartown Road, Berwyn, PA 19312, a citizen of the United States (hereafter the undersigned), is the inventor of the inventions identified in Exhibit A (U.S. patents and pending patent applications), Exhibit B (U.S. abandoned patent applications), and Exhibit C (international patents and patent applications).

**Unbreakable Company**, a company, having a place of business at 1434 Sugartown Road, Berwyn, PA 19312, (hereafter referred to as the assignee), is desirous of acquiring the entire right, title and interest in said inventions, including all applications for and all letters patent issued on said inventions.

For good and valuable consideration, the receipt and sufficiency of which is acknowledged, the undersigned, intending to be legally bound, does hereby sell, assign and transfer to the assignee and assignee's successors, assigns and legal representatives the entire right, title and interest in said inventions and all patent applications thereon, including, but not limited to, all divisions and continuations thereof, and in all letters patent, including all reissues and reexaminations thereof, throughout the world, including the right to claim priority under the Paris Convention or other treaty, and the right to damages for past infringement(s).

It is agreed that the undersigned shall be legally bound, upon request of the assignee, to supply all information and evidence relating to the making and practice of said invention, to testify in any legal proceeding relating thereto, to execute all instruments proper to patent the inventions throughout the world for the benefit of the assignee, and to execute all instruments proper to carry out the intent of this instrument.

The undersigned warrants that the rights and property herein conveyed are free and clear of any encumbrance.

EXECUTED under seal on this 24th day of May, 2005 at

SANTA MONICA, CA.  
(Place)

Witness:

CARMEN D. MARIO

Robert A. Vito

(L.S.)

ANNA HHOVOCIS

State of
