ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, the undersigned, **Peter L. Skan**, of 23 Tarrant Drive, Harpenden, Hertfordshire, AL5 1RP, United Kingdom, do hereby sell, assign, and transfer to **INSIGNIA SOLUTIONS PLC**, a company organized under the laws of England and having its principal place of business at 41300 Christy Street, Fremont, California 94538, USA ("Assignee"), its successors, assign, and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to any and all inventions and improvements which are disclosed in Regular U.S. patent application entitled "**METHOD FOR OVER-THE-AIR FIRMWARE UPDATE OF NAND FLASH MEMORY BASED MOBILE DEVICES**" filed on even date herewith and in and to all other patent applications (including divisional, continuation, continuation-in-part, provisional and reissue applications) based upon said inventions, and in and to the patent or patents to be granted thereon, including reissues thereof, if any, to the full end of the term or terms for which said patent or patents may be granted; and in and to all patent applications on said inventions now or hereafter filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the term or terms for which said patent, patents or rights may be granted; and in and to all rights of priority resulting from the filing of said United States applications.

And I further agree that said Assignee may apply for and receive Letters Patent for said improvements in its own name; and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will upon demand of Assignee, its successors or assigns, and without further consideration to me, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary for aiding in securing and maintaining proper patent protection for said inventions and for vesting title to said inventions and all applications for patents and all patents thereon, in Assignee, its successors, assigns and legal representatives.

And further covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
