### ASSIGNMENT

WHEREAS, Corning Intellisense LLC, hereinafter ASSIGNOR, having a place of business at 36 Jonspin Road, Wilmington, Massachusetts 01887, owns right, title and interest in and to several inventions as outlined in Schedule A (the "Inventions"), which were filed in the United States Patent and Trademark Office (the "Applications").

WHEREAS, Corning Incorporated, hereinafter ASSIGNEE, whose address is 1 Riverfront Plaza, Corning, New York 14831, desires to acquire the right, title and interest currently owned by Assignor in and to the Inventions and the Applications and acquiring the title, rights, benefits, and privileges hereinafter recited;

For valuable consideration, receipt of which is acknowledged, Assignor hereby assigns to Assignee all of Assignor's right, title and interest in the Inventions, all improvements therein, the Applications and all priority rights arising therefrom, and any patents, and any reissues and extensions thereof, which issue in any country upon any patent applications which correspond with any of the following: the Applications; any application that claims priority from the Applications (including divisionals, continuations, continuation-in-parts, or as an application claiming priority from a provisional application); or any applications based in whole or in part on any of the foregoing.

Assignor agrees that such Assignor and Assignor's heirs and legal representatives will, without further consideration, cooperate with Assignee in the prosecution of all of the above applications, execute, verify, acknowledge and deliver all such further papers, including applications for patents and for reissues and extensions therefor, and instruments of assignment and transfer thereof, and will communicate any facts known to Assignor relating to the Invention, to obtain or maintain or enforce patents for the Inventions and improvements therein any and all countries and to vest title thereto in Assignee. Assignor further agrees that such Assignor will, without further compensation to Assignor, perform such other acts as may be reasonably required when requested by Assignee, including attending depositions, preparing and executing declarations and affidavits and testifying as a witness, to obtain or maintain or enforce patents for the Invention and improvements therein in any and all countries and to vest title thereto in Assignee.
