ASSIGNMENT

WHEREAS, David Glocker, a citizen of the United States of America, residing at 791 Rush-Henrietta Townline Road, West Henrietta, New York 14586 and Mark M. Romach, a citizen of the United States of America, residing at 78 Ridge Meadows Drive, Spencerport, New York 14559, have created an invention for RADIOPAQUE COATING FOR BIOMEDICAL DEVICES (hereinafter "Invention"), for which a Utility Application for Patent in the United States was filed under the same title (hereinafter "Application"), as U.S. Patent Application No. 11/087,909 on March 23, 2005;

AND WHEREAS, Isoflux, Inc., with its principal place of business at 10 Vantage Point Drive, Suite 4, Rochester, New York 14624, USA desires to acquire the entire right, title and interest in, to and under the Invention and the Application:

NOW, THEREFORE, for good and valuable consideration including salary or payment for the making of inventions, or employee benefits, the receipt and sufficiency of which is hereby acknowledged, I have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto Isoflux, Inc., its successors, legal representatives, and assigns, my entire right, title and interest throughout the world in, to, and under the Invention and the Application, including all rights of priority under International Conventions and applications for Letters Patent which may hereafter be filed for the Invention in any country or countries foreign to and including the United States, and all Letters Patent which may be granted for the Invention in any country or countries foreign to and including the United States and all extensions, divisionals, continuations, renewals and reissues thereof, and including all rights to publish cautionary notices reserving ownership of the Invention and all rights to register the Invention in appropriate registries; and I hereby authorize and request the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as

aforesaid, to issue all Letters Patent for the Invention to Isoflux, Inc., its successors, legal representatives, and assigns, in accordance with the terms of this instrument.

AND I HEREBY covenant that I have full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith.

AND I HEREBY further covenant and agree that I will communicate to Isoflux, Inc., its successors, legal representatives, and assigns, any facts known to me respecting the Invention and testify in any legal proceeding, sign all lawful papers, execute all applications claiming priority, extension, divisional, continuation, renewal, and reissue applications, make all rightful declarations and/or oaths and generally do everything possible to aid Isoflux, Inc., its successors, legal representatives, and assigns, to obtain and enforce proper patent protection for the Invention in all countries.

IN TESTIMONY WHEREOF, I hereunto set my hand and seal this 13
day of July, 2005.
