ASSIGNMENT

WHEREAS, we, James C. LeBlanc, Sr., a citizen of the United States of America, residing at 2009 Victoria Hill, Rochester, Michigan, U.S.A., James C. LeBlanc, Jr., a citizen of the United States of America, residing at 11322 Hazelnut Court, Washington, Michigan, U.S.A., and Adam L. Hiltunen, a citizen of the United States of America, residing at 29949 Bristol Court, Chesterfield, Michigan, U.S.A., have made a certain invention entitled Vehicle, for which we are about to file a design patent application in the United States of America; and

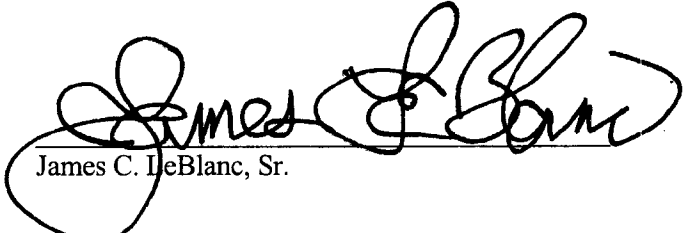

WHEREAS, J.C.L. Technology, L.L.C., a limited liability company organized and existing under the laws of the State of Michigan, United States of America, having its principal place of business at 2009 Victoria Hill, in the City of Rochester and the State of Michigan, United States of America, is desirous of acquiring an interest in said invention, said design patent application, the right to file additional design patent applications on said invention and any design patents issuing thereon.

NOW, THEREFORE, in consideration of Ten Dollars (US \$10.00), in currency of the United States of America, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we, James C. LeBlanc, Sr., James C. LeBlanc, Jr., and Adam L. Hiltunen, by these presents, do sell, assign and transfer unto said J.C.L. Technology, L.L.C., our entire right, title and interest, for the United States of America and its possessions and territories, in and to said invention as described and claimed in said application for design letters patent of the United States of America, executed on the 31 day of January, 2005 by James C. LeBlanc, Sr., the 31 day of January, 2005 by James C. LeBlanc, Jr., and the 31 day of January, 2005 by Adam L. Hiltunen, preparatory to obtaining design letters patent of the United States of America therefor, said application for letters patent of the United States of America, together with the right to file additional applications for design letters patent or other forms of protection for said invention in all foreign countries, including rights of priority created or conferred by any international convention or treaty to which the United States of America is a party or signatory, and in and to any design letters patent or other forms of protection that may be granted for said invention; said invention, applications for patent or

other forms of protection and letters patent or other forms of protection, and any continuations, continuations-in-part, divisions, reissues, extensions and renewals thereof, to be held and enjoyed by said J.C.L. Technology, L.L.C., for its own use and behoof and for its legal representatives, successors and assigns, to the full ends of the terms for which said letters patents may be granted, as fully and entirely as the same would have been held by us had this assignment and sale not been made.

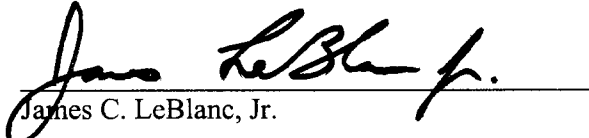

For the same consideration, we hereby covenant and agree that we will and that our legal representatives shall execute and deliver any and all application papers, assignments, powers of attorney and other instruments that said J.C.L. Technology, L.L.C., may consider necessary or advisable to secure letters patent or other forms of protection of the United States of America and all foreign countries for said invention, and any continuations, continuations-in-part, divisions, reissues, extensions and renewals thereof, and to vest and confirm in said J.C.L. Technology, L.L.C., the full and complete legal and equitable title to said invention, applications and letters patent, or other forms of protection, without further consideration than that now paid but at the expense of said J.C.L. Technology, L.L.C., its successors or assigns.

Executed this 31 day of January, 2005.
