PATENT ASSIGNMENT

WHEREAS, the undersigned:

**James C. Fogle, a citizen of the United States of America, residing at
4239 Cove Way, N.E., Marietta, Georgia 30067; and**

**Colin P. Ford, a citizen of the United States of America, residing at
510 Old Field Cove, Woodstock, Georgia 30189,**

(hereinafter collectively referred to as "Assignors") have invented certain inventions and improvements disclosed in an application for Letters Patent entitled "HEAT RESISTANT LID FOR MICROWAVE CONTAINER," which application was filed in the United States Patent and Trademark Office on March 16, 2005, under application Serial No. 11/081,194.

WHEREAS, Graphic Packaging International, Inc., a Corporation of the State of Delaware, having its principal place of business at 814 Livingston Court, Marietta, Georgia 30067, is desirous of acquiring an interest in the same;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignors, by these presents do sell, assign and transfer unto Graphic Packaging International, Inc., the full, exclusive and entire right, title and interest: (i) in and to all inventions and improvements disclosed and described in said application, (ii) in and to said application, (iii) in and to any divisional, continuation, and continuation-in-part applications describing in whole or in part the said inventions and improvements, preparatory to obtaining Patents of the United States therefor, (iv) in and to any reissues of the aforementioned, (v) in and to any provisional patent applications filed in the United States describing in whole or in part the said inventions and improvements, from which priority may be claimed under Title 35 of the United States Code, and (vi) in and to the right to claim any applicable foreign and domestic priority rights arising from any of the afore-mentioned patent applications; and Assignors do hereby request the Commissioner of Patents to issue any and all Patents of the United States resulting from said application, or from a division, continuation, continuation-in-part, or reissue thereof, to Graphic Packaging International, Inc. as Assignee, for its interest and for the sole use and behoof of Graphic Packaging International, Inc., and its assigns and legal representatives;

For the same consideration, Assignors by these presents do sell, assign and transfer to Graphic Packaging International, Inc. the full, exclusive and entire right, title and interest in and to any foreign application or applications corresponding to said application, in whole or in part,

in countries other than the United States, in and to any patents and similar protective rights granted on said foreign application, and in and to the right to claim any applicable priority rights arising from or required for said foreign application under the terms of any applicable conventions, treaties, statutes, or regulations; said foreign applications to be filed and issued in the name of Graphic Packaging International, Inc. and/or its respective designees, insofar as permitted by applicable law;

AND, for the same consideration, Assignors do hereby agree to sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue and other applications, make all assignments and rightful oaths, and generally do everything possible to aid Graphic Packaging International, Inc., its successors, assigns, and nominees, to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world.
