## PATENT ASSIGNMENT

WHEREAS, WE, John P. Barber, a citizen of the United States, residing at 4377 Stonehenge Lane, Dayton, Ohio 45429, County of Montgomery, and State of Ohio; Robert C. Cravens, II, a citizen of the United States, residing at 2422 Blacksmith Lane, Beavercreek, Ohio 45434, County of Greene, and State of Ohio; Antonios Challita, a citizen of the United States, residing at 2166 Hillrise Circle, Bellbrook, Ohio 45305, County of Greene, and State of Ohio; and, Susan A. Stanton, a citizen of the United States, residing at 240 Domigan Road, Sunbury, Ohio 43074, County of Delaware, and State of Ohio (hereinafter referred to as "ASSIGNORS"), have invented a **PORTABLE INDUCTION HEATING TOOL FOR SOLDERING PIPES**, for which we have executed an application for Letters Patent of the United States, of even date herewith, and

WHEREAS, Nexicor LLC, a limited liability company duly organized and existing under the laws of Ohio, having its principal place of business at 422 Wards Corner Road, Suite B, Loveland, Ohio 45140 (hereinafter referred to as "ASSIGNEE"), is desirous of acquiring the entire interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we, the said ASSIGNORS, hereby sell, assign, and transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, the entire right, title and interest in, to and under the Invention (wherein "Invention" includes modifications and improvements, in whole or in part) throughout the United States of America (including its territories and dependencies) and all countries foreign thereto, and said United States application and all divisions, renewals, continuations, and continuations-in-part thereof, and all Patents of the United States which may be granted thereon and all reissues, reexaminations and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for said Invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models and designs which may be granted for said Invention in any country or countries foreign to the United States, and all extensions, renewals, reexaminations and reissues thereof;

TO BE HELD AND ENJOYED by said ASSIGNEE, its successors, and assigns, to the full ends of the respective terms for which said patents have been or may be granted, as fully and entirely as the same would have been held and enjoyed by us, had no sale and assignment of said interest been made.

ASSIGNORS HEREBY authorize and request the Commissioner of Patents and Trademarks of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

ASSIGNORS HEREBY grant the firm of Frederick H. Gribbell, LLC the power to insert in this Assignment any further identification or information which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office, or any foreign patent office, for recordation of this document.

ASSIGNORS HEREBY covenant that we have full right to convey the entire interest herein assigned, and that we have not executed, and will not execute, any agreement in conflict herewith.

ASSIGNORS HEREBY further covenant and agree that we will: communicate to the said ASSIGNEE, its successors, legal representatives and assigns, any facts known to us respecting said Invention, and testify in any legal proceeding; sign all lawful future documents, including assignments in favor of ASSIGNEE, or its designees, as ASSIGNEE or its designee may from time-to-time present to me in order to perfect title in said Invention; execute all divisional, continuing, continuation-in-part, reissue, reexamination, renewal, and foreign applications in any country; and make all rightful oaths, and generally do everything possible to aid said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper protection for said Invention in all countries.
