ASSIGNMENT AND AGREEMENT

FOR VALUE RECEIVED, we, Hyongsik Yim, a citizen of South Korea and residing in Ann Arbor, Michigan; Mark E. Meyerhoff, a citizen of the United States and residing in Ann Arbor, Michigan; and Youngmi Lee, a citizen of South Korea and residing in Knoxville, Tennessee hereby sell, assign and transfer to The Regents of the University of Michigan, a not-for-profit organization duly organized and existing under the laws of the State of Michigan and having its principal place of business at 3003 South State Street, Ann Arbor, Michigan 48109-1280 as assignee, and its successors, assigns and legal representatives, the entire right, title and interest for the United States of America and all foreign countries in and to certain inventions relating to

OPTICAL MONITORING OF CLEAVING ENZYME ACTIVITY

which are described in the specification in an application, executed by us on the 28th day of February, 2005 (and we hereby authorize our attorneys, authorized to prosecute the application, to here insert the filing date and serial number of the application, as soon as it is known, Serial Number _____, _____, 2005) and all the rights and privileges under any and all United States and all foreign Letters Patent that may be granted therefor.

We request that any and all United States and foreign patents for the inventions be issued to the assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

We agree that, when requested, we will sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for the inventions in any and all countries, and for vesting title thereto in the assignee, its successors, assigns and legal representatives or nominees.

We authorize and empower the assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for the inventions filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from us.
