## **Assignment of Patents to Beneficial Innovations**

WHEREAS, Sheldon F. Goldberg ("Goldberg") is a named inventor of the following inventions entitled: "Network Gaming System," described in United States Patent No. 5,823,879, which issued on October 20, 1998; "Network Gaming System," described in United States Patent No. 6,183,366, which issued on February 6, 2001; "Method and System For Playing Games on a Network," described in United States Patent No. 6,264,560, which issued on July 24, 2001; and "Method and System for Playing Games on a Network" described in United States Patent No. 6,712,702, which issued on March 30, 2004 (these inventions and United States Patents are collectively referred to as "the Patents");

WHEREAS, Goldberg is desirous of assigning all rights, title, and interest in the Patents to Beneficial Innovations, Inc, a Nevada corporation ("Beneficial Innovations"); and

WHEREAS Beneficial Innovations is desirous of acquiring the exclusive right, title, and interest in the Patents.

NOW, THEREFORE, for certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, Goldberg hereby sells, assigns, and transfers to Beneficial Innovations, its successors and assigns, the full, exclusive, and entire right, title, and interest to U.S. Patent Nos. 5,823,879, 6,183,366, 6,264,560, and 6,712,702, and all continuation, divisional, continuation-in-part and reissue applications

and patents obtained for the inventions described in the Patents throughout the Universe, including any and all rights (including causes of action for damages) associated with infringements of the Patents that took place prior to the date of this assignment (that is, from the date each of the Patent or patents in the Patent Portfolio issued until the present); the same to be held and enjoyed by Beneficial Innovations for its own use and enjoyment, and for its legal representatives, successors, and assignees, to the full end of the term for which the Patent or patents in the Patent Portfolio are granted, as fully and entirely as the same would have been held by Goldberg had this assignment and sale not been made.

Goldberg hereby covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered by the Inventor that would conflict with this assignment.
