By its undersigned representative, the Assignor agrees

- a. to execute all papers necessary in connection with the Patent Applications and any continuing, divisional, reissue, reexamination or corresponding application thereof and also to execute separate Assignments in connection with such applications as the Assignee may deem necessary or expedient;
- b. to execute all papers necessary in connection with any interference which may be declared concerning the Patent Applications or any continuation, division, reissue or reexamination thereof and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with such interference; and
- c. to perform all affirmative acts which may be necessary to obtain a grant of a valid United States patent to the Assignee on any of the Patent Applications and on any continuation, division, reissue or reexamination of any of the Patent Applications.

The Assignor's rights, title and interest in and to the Patent Applications are subject to the contracts and agreements referenced in the ASSET PURCHASE AGREEMENT BY AND BETWEEN ID SOLUTIONS, INC. AND BELLA ID SOLUTIONS, INC., executed on the same day herewith.
