## ASSIGNMENT

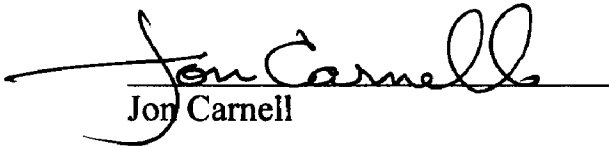

Whereas, I, Jon Carnell, having a mailing address of P. O. Box 2050, Broken Arrow, Oklahoma, 74013 (the "Applicant"), am the co-inventor of a new and useful method described in an application for a United States Patent entitled "FILTER ASSEMBLY FOR PIPELINES" (hereafter "the Invention"), in connection with a Declaration executed by me on March 2, 2005;

Whereas, Industrial Pipeline Solutions USA, L.L.C., a Texas limited liability company (hereinafter "Assignee"), having its principal business address at 10607 C Langston Drive, Baytown, Texas 77520, is desirous of acquiring the entire right, title, and interest in and to the Invention; and

NOW, THEREFORE, in consideration of the sum of One dollar (\$1.00), the receipt whereof is acknowledged, and other good and valuable consideration, I, the Applicant, by these presents do sell, assign and transfer unto said Assignee the full and exclusive right to the Invention in the United States and in all foreign countries and the entire right, title and interest in and to any and all patent applications, including the rights in any substitute, continuation, continuation-in-part, and divisional application that may be filed and patents that may be granted therefor in the United States and in any foreign countries, including the right to claim priority rights for such foreign applications to which such applications are entitled under international conventions, treaties or otherwise, and any reissue or reexamination patents issued thereon. I hereby authorize and request the Commissioner of Patents and Trademarks to issue said United States

Patent to said Assignee of the entire right, title, and interest in and to the Invention, for Assignee's sole use and benefit and for the use and benefit of Assignee's legal representatives, to the full end of the term for which said Patent may be granted, as fully and entirely as the same would have been held by me had this Assignment not been made.

Executed this 2<sup>nd</sup> day of March, 2005, in Broken Arrow, Oklahoma.

  
Jon Carnell
