(assignee), desires to acquire the entire right, title, and interest in the application and
invention, and to any United States patents to be obtained therefor;

Now therefore, for valuable consideration, receipt whereof is hereby acknowledged,

I/We, the above named assignor(s), hereby sell, assign and transfer to the above
named assignee, its successors and assigns, the entire right, title and interest in the
application and the invention disclosed therein for the United States of America, including
the right to claim priority under 35 U.S.C. §119, and I/we request the Commissioner of
Patents to issue any Letters Patent granted upon the invention set forth in the application to
the assignee, its successors and assigns; and I/we will execute without further consideration
all papers deemed necessary by the assignee in connection with the United States
application when called upon to do so by the assignee.
