ASSIGNMENT

Whereas, we, Herbert Liebl, a citizen of Austria and resident of the United States, residing at 2228 Mohegan Drive #302, Falls Church, Virginia 22043; Lee C. Harold, a citizen of the United States, residing at 6705G Washington Blvd., Arlington, Virginia 22213; and Inbarajan Selvarajan, a citizen of India and resident of the United States, residing at 7705 Lee Hwy, Apt # 201, Falls Church, VA 22042 (“the Assignors”), have made an invention entitled

SYSTEM AND METHOD FOR OLAP REPORT GENERATION WITH SPREADSHEET REPORT WITHIN THE NETWORK USER INTERFACE

described in the application for United States Letters Patent filed on May 28, 1999, which has been assigned Application Serial No. 09/321,738; and

Whereas, Microstrategy, Incorporated (“the Assignee”), a Delaware corporation having a place of business at 8000 Towers Crescent Drive, Vienna, Virginia 22182, is desirous of acquiring the entire right, title and interest in and to the aforesaid invention for the United States of America, its territories and possessions (“United States”), and other countries and to any Letters Patent of the United States or any foreign country which may be granted therefor, including any and all reissues, divisions, continuations, renewals or extensions thereof.

Now therefore, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which we hereby acknowledged, we, the said Assignors, have bargained, sold, assigned, transferred and set over, and by these presents do hereby bargain, sell, assign, transfer and set over unto the Assignee, its successors and assigns the entire right, title and interest in and to said application for Letters Patent and the invention therein disclosed, described or claimed and in and to any and all Letters Patents of the United States of America or other countries which may be granted for any thereof, and all reissues, divisions, continuations, extensions, and renewals of any such Letters

Patent, the same to be held and enjoyed by the Assignee for its own use and behoof and for use and behoof of its successors, assigns or other legal representatives to the full end of the term or terms for which any said Letters Patent may be granted, reissued, divided, continued, extended or renewed, as fully and entirely as the same would have been held and enjoyed by us if this sale and assignment had not been made.

And we the said Assignors hereby authorize and request the appropriate governmental official to issue any and all such Letters Patent under said invention, or resulting from any of said applications thereof, to the Assignee as the assignee of the entire right, title and interest in and to the said application and invention thereof;

And we the said Assignors hereby warrant and covenant that we have the full right to convey the entire interest herein assigned and that we have not executed and will not execute any instrument or assignment in conflict herewith;

And, we the said Assignors further covenant and agree that Assignors will at any time, upon request, execute and deliver any and all papers that may be necessary or desirable to perfect the title of said invention, or any Letters Patent that may be granted therefor to the Assignee, its successors, assigns or other legal representatives and that if the Assignee, its successors, assigns or other legal representatives desire to secure a reissue, division, or extension of said Letters Patent, Assignors will upon request sign all papers, make all rightful oaths, and do all legal acts necessary and requisite for the application of such reissue, division or extension and the procuring thereof, and generally do all other and further lawful acts deemed necessary or expedient by the Assignee to assist or enable the Assignee to obtain and enforce full benefits from the rights and interests herein assigned, but at the expense of the Assignee.

And, we the said Assignors further covenant and agree that Assignors will, at any time, upon request, communicate to the Assignee, its successors, assigns or other legal representatives, any facts relating to the said invention known to us, and will testify as to the same in any interference or litigation when requested to do so.
