ASSIGNMENT

Whereas, I, Kenneth A. Puzey, residing in Essex Junction, Vermont, have invented a certain new and useful

SYSTEM AND METHOD FOR DETECTING AND IDENTIFYING AN ANALYTE

and have executed a United States Patent Application therefor on March 22, 2005;

And whereas, QuantaSpec Inc., a corporation of Vermont, having a place of business at 29 River Road, Unit B, P.O. Box 163, Essex Junction, Vermont 05453 (hereinafter called Assignee), desires to acquire the entire right, title and interest in the said application and inventions, and to any United States and foreign patents to be obtained therefor;

Now therefore, for good and valuable consideration, receipt whereof is hereby acknowledged, I the above named hereby sell, assign, and transfer to Assignee, its successors and assigns, the entire right, title and interest in the said application and inventions therein disclosed for the United States and foreign countries, and all rights of priority resulting from the filing of said United States application, and I request the Commissioner for Patents to issue any Letters Patent granted upon the invention set forth in said application to Assignee, its successors and assigns; and I hereby agree that Assignee may apply for foreign Letters Patent on said invention and I will execute all papers necessary in connection with the United States and foreign applications when called upon to do so by Assignee.

I, the above-named, hereby covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment.

Executed at Burlington, Vermont, this 22nd day of March, 2005.

Kenneth A. Puzey
