ASSIGNMENT

WHEREAS, **Curtis S. Tarlton**, a citizen of the United States of America, whose post office address is c/o NEDCO Conveyor Company, 967 Lehigh Avenue, Union, New Jersey 07083, hereinafter referred to as Assignor, has invented certain new and useful improvements relating to:

Accumulating Conveyor System

and described in a provisional application for Letters Patent filed in the United States Patent and Trademark Office on **February 2, 2005** as Serial No. **11/050,287**; and

WHEREAS, Assignor, the said inventor, is the sole and exclusive inventor of said improvements, and

WHEREAS, **NEDCO Conveyor Company**, a corporation created and existing under the laws of the State of New Jersey, having a principal place of business in 967 Lehigh Avenue, Union, New Jersey 07083, hereinafter referred to as Assignee, is desirous of acquiring a formal assignment of the interest in and to the aforementioned improvements, and in, to and under any and all Letters Patent of the United States and in any and all foreign countries thereof;

NOW, THEREFORE, this indenture witnesseth that for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, Assignor, the said inventor, has sold, assigned, transferred and set over and does hereby sell, assign, transfer and set over to the said Assignee, the said invention and application, and any and all divisions and continuations thereof, and any and all Letters Patent of the United States, its territorial possessions and any and all foreign countries which may be granted therefor, and any and all reissues or said Letters Patent, including the subject matter of any and all claims which may be obtained in every such patent, the same to be held and enjoyed by the said Assignee for its own use and advantage, and for the use and advantage of its successors, assigns, and other legal representatives, to the end of the term or terms for which said Letters Patent of the United States, territories, and foreign countries are or may be granted or reissued, as fully and entirely as the same would have been held and enjoyed by Assignor, if this assignment and sale had not been made.

AND, Assignor hereby authorizes and requests the Commissioner of Patents to issue any and all Letters Patent of the United States on said invention, or resulting from said application, and from any and all divisions and continuations thereof to the said Assignee, of the entire interest herein, and hereby covenants that he has not executed and will not execute any agreement in conflict therewith;

AND, Assignor further hereby covenants and agrees that he will, at any time, upon request, execute and deliver any and all papers that may be necessary or desirable to perfect the title to said invention and to such Letters Patent as may be granted therefor, in said Assignee, its successors, assigns or other legal representatives, and that if said Assignee, its successors, assigns, or other legal representatives shall desire to file any divisional or continuation application, or to secure a reissue of such Letters Patent, or to file a disclaimer relating thereto,

divisional Letters Patent, or to file a disclaimer relating thereto, will upon request, sign all papers, make all rightful oaths, and do all lawful acts requisite for the filing of such divisional or continuing application, or such application for reissue and procuring thereof, and for filing of such disclaimers;

AND, Assignor does further covenant and agree, that he will, at any time, upon request, communicate to said Assignee, its successors, assigns, or other legal representatives, such facts relating to said invention and Letters Patent or to the history thereof, as may be known to him, and testify as to the same in any interference or other litigation when requested to do so.

IN WITNESS WHEREOF, we have hereunto set our hands and seal.
