ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, we the undersigned,

Patricia A. Arand
Peter T. Bauer
Peter M. Galen
Robert A. Warner

1. Hereby sell, assign and transfer to Inovise Medical, Inc., having a place of business at 10565 S.W. Nimbus Avenue, Suite 100; Portland, Oregon 97223, its successors, assigns and legal representatives, the entire right, title and interest for the United States and all foreign countries: (a) in and to any and all inventions which are disclosed in the application for United States Letters Patent, which has been executed by the undersigned on the date indicated and is:

Entitled: - Method and System Relating to Monitoring and Characterizing Heart Condition
Docket Number: - J-INOV.1016
Serial No.: - 10/993,521
Filing Date: - November 18, 2004

(b) in and to the application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said inventions; and (c) in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said inventions;

2. Agree that the Assignee may apply for and receive Letters Patent for said inventions in its own name; and that, when requested, (at the expense of the Assignee, its successors, assigns and legal representatives), the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to the Assignee, its successors, assigns, and representatives, all facts known to the undersigned relating to said inventions and the history thereof; and generally to do everything reasonable which the Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said inventions and for vesting title to said inventions and all applications for patents and all patents on said inventions, in the Assignee, its successors, assigns and legal representatives; and

3. Covenant with the Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
