(hereinafter referred to as the Assignee)

all our right, title and interest for the United States, its territories and possessions in and to an invention entitled

### A METAL PACKAGING

the specification of which was filed on 09/08/2004 as International application No.  
PCT/DK2004/000590

In and to said United States Patent Application including any and all divisions or continuations thereof and in and to any and all Letters Patent of the United States which may issue on any such application or for said invention, including any and all reissues or extensions thereof, to be held and enjoyed by the above-mentioned Assignee, its successors, legal representatives and assigns to the full end of the term or terms for which any and all such Letters Patent may be granted as fully and entirely as would have been held and enjoyed by the undersigned had this Assignment not been made.

We hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all Letters Patent of the United States resulting from said application or any division or divisions or continuing or reissue applications thereof to the above-mentioned Assignee, its successors or assigns in accordance herewith.

And we hereby covenant and agree to do all such things and to execute without further consideration such further assurances, applications, and other instruments as may reasonably be required by the Assignee to obtain Letters Patent of the United States of America for the invention and vest the same in the Assignee.

Each of the undersigned hereby grants Mr. Donald M. Hill, Jr. the power to insert in this Assignment any further identification which may be necessary or desirable to comply with the rules of the United States Patent and Trademark Office for recordation of this Assignment.
