INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT (this "Agreement") is entered into as of August 25, 2005, by and among NOBLE ROMAN'S, INC., an Indiana corporation, PIZZACO, INC., an Indiana corporation and N.R. REALTY, INC., an Indiana corporation (individually and collectively, as the context requires, with such determination to be made by Lender (as hereinafter defined) in its Sole Discretion, "Debtor") and WELLS FARGO BANK, NATIONAL ASSOCIATION ("Lender").

RECITALS

A. Pursuant to the terms of that certain Loan Agreement of even date herewith among the Debtor and Lender (as amended, restated, modified or otherwise supplemented from time to time, the "Loan Agreement"), Lender has agreed to provide Debtor a loan in the principal amount of Nine Million and No/100ths Dollars (\$9,000,000) (the "Loan"). All initially capitalized terms used and not otherwise defined herein shall have the respective meanings set forth in the Loan Agreement.

B. The Loan shall be evidenced by the Loan Agreement and a note (the "Note") and secured by, in part, this Agreement.

AGREEMENT

NOW, THEREFORE, as a material inducement to Lender to enter into the Loan Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Debtor hereby does irrevocably and unconditionally warrant and represent unto and covenant with Lender, as follows:

1. To secure the Obligations, Debtor grants and pledges to Lender a security interest in all of Debtor's right, title and interest in, to and under its intellectual property collateral (including without limitation the patent listed on Exhibit A hereto and those trademarks listed on Exhibit B hereto, but excluding any rights of Debtor as a licensee of intellectual property to the extent the grant of a security interest in or assignment thereof is not permitted under the license agreement or other governing document), and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits) payable to or received or receivable by Debtor under, or in connection with the intellectual property collateral, the right to sue for past, present and future infringements (which right Lender shall not exercise unless an Event of Default shall have occurred and be continuing), and all rights corresponding thereto throughout the world.
2. The rights and remedies of Lender with respect to the security interest granted hereby are in addition to those set forth in the Loan Agreement and the other Loan Documents, and those which are now or hereafter available to Lender as a matter of law or equity.
3. All rights of Lender hereunder shall inure to the benefit of its successors and assigns; and all obligations of Debtor shall bind its successors and assigns.

4. Each right, power and remedy of Lender provided for herein or in the Credit Agreement or any of the Loan Documents, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by Lender of any one or more of the rights, powers or remedies provided for in this Agreement, the Loan Agreement or any of the other Loan Documents, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any Person, including Lender, of any or all other rights, powers or remedies.

5. This Agreement shall automatically terminate upon the payment and performance in full of all of the Obligations.

6. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, AND THE APPLICABLE LAWS OF THE UNITED STATES.
