ASSIGNMENT

WHEREAS, Brian Porter, residing at and having a post office address of 604 North DuPage Avenue, Addison, Illinois 60101 (hereinafter called the "Assignor"), has made new and useful inventions and improvements in:

"SEPARATOR COVER"

or a full description of which reference is hereby made to an application for Letters Patent of the United States, executed on March 21, 2005 by said Assignor and identified as Attorney Docket No. 00319.00.1003.

WHEREAS, Safety-Kleen Systems, Inc., a corporation of the State of Wisconsin, located and doing business at Cluster II, Building 3, 5400 Legacy Drive, Plano, Texas 75024 (hereinafter called "Assignee") is desirous of acquiring the entire right, title and interest in and to said invention, to the application above identified, and in, to and under Letters Patent which may be obtained for said invention, and to other applications or patents covering said invention, as hereinafter more fully set forth;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that, for valuable consideration, the receipt and sufficiency of which is hereby acknowledged by said Assignor, the Assignor has sold, assigned, and transferred, and by these presents does sell, assign, and transfer unto the said Assignee, the entire right, title and interest for the United States in and to the invention and application hereinabove identified, and in and to any and all divisional, continuation, continuation-in-part, reissue or reexamination applications, and in and to any Letters Patent of the United States that may issue (or reissue) for said invention on any one or more of

said applications, together with the entire right, title and interest in and to said invention and related or counterpart applications for Letters Patent and Letters Patent therefor in all countries foreign to the United States, including the right to claim priority under the International Convention for the Protection of Industrial Property and other agreements and treaties of like purpose; to have and to hold for the sole and exclusive use and benefit of the said Assignee, its successors and assigns, to the full end of the term or terms for which any and all of said Letters Patent for said invention may issue.

And the Assignor does hereby covenants and agrees, for himself and his legal representative, that he will assist the said Assignee in the prosecution of any of the applications herein referred to; in the making and prosecution of any other applications for Letters Patent that the said Assignee may elect to make covering the invention herein referred to, including any divisional, continuation, or continuation-in-part application; or any application to reexamine or reissue any patent referred to herein; in vesting in the said Assignee exclusive title in and to all applications and Letters Patent referred to herein; and in the prosecution of any interference, infringement or other action which may arise involving said invention or any claim thereto or thereunder, or any application or Letters Patent herein referred to; and he will execute and deliver to the said Assignee any and all additional papers which may be requested by said Assignee to vest title in said Assignee in the United States and in countries foreign thereto, and will otherwise fully carry out the terms of this agreement.

And the Commissioner of Patents and Trademarks is hereby
authorized and requested to issue Letters Patent to the said Assignee in
accordance with the terms of this Assignment.

IN TESTIMONY WHEREOF, the said Assignor has hereunto set his
hand and affixed his seal.

Dated: March 21, 2005
