PATENT SECURITY AGREEMENT

THIS PATENT SECURITY AGREEMENT, dated as of August 19, 2005, is by and among Bushnell Performance Optics, a Delaware corporation ("Borrower"), Bushnell Corporation, a Delaware corporation ("Bushnell Corp"), Bollé, Inc., a Delaware corporation ("Bolle"), Old WSR, Inc., a Delaware corporation ("WSR"), Serengeti Eyewear, Inc., a New York corporation ("Serengeti"), Bushnell Night Vision, Inc., a Delaware corporation ("Bushnell Night Vision"), Tasco Holdings, Inc., a New York corporation ("Tasco Holdings"), Tasco Optics Corporation, a New York corporation ("Tasco"), Bollé America, Inc., a Delaware corporation ("Bolle America"; Borrower, Bushnell Corp, Bolle, WSR, Serengeti, Bushnell Night Vision, Tasco Holdings, Tasco and Bolle America are referred to herein individually as a "Grantor" and collectively as the "Guarantors") and Antares Capital Corporation, a Delaware corporation, as Agent (in such capacity, the "Grantee") for the benefit of itself and all financial institutions that from time to time become lenders (the "Lenders") under the Credit Agreement (as such terms are hereinafter defined).

RECITALS

WHEREAS, the Grantors, own the Patents, Patent registrations and Patent applications listed on Schedule A annexed hereto, and is a party to the Patent licenses listed on Schedule A annexed hereto; and

WHEREAS, Borrower has entered into that certain Credit Agreement dated of even date herewith (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), with the Agent and the Lenders, providing for extensions of credit and other financial accommodations to be made to Borrower by the Agent and Lenders; and

WHEREAS, each Grantor (other than Borrower) is a direct or indirect Subsidiary of Borrower, and, as such, will derive substantial benefit and advantage from the financial accommodations available to the Borrower and accordingly, pursuant to the terms of that certain Security Agreement dated of even date herewith by and among Grantors, certain affiliates of Grantors and Grantee (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement" capitalized terms used but not defined herein have the meanings given such terms in the Security Agreement), each Grantor has granted to Grantee for the benefit of Grantee and Lenders a security interest in substantially all the assets of such Grantor including, without limitation, all right, title and interest of such Grantor in, to and under all now owned and hereafter acquired Patents (as defined in the Security Agreement), Patent registrations, Patent applications and Patent licenses, and all proceeds thereof, to secure the payment of the "Liabilities" (as defined in the Security Agreement);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the each Grantor does hereby grant to the Grantee a continuing security interest in all of the such Grantor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Patent Collateral"), whether presently existing or hereafter created or acquired:

- (1) each Patent, Patent registration and Patent application, including, without limitation, the Patents, Patent registrations (together with any reissues, divisions,

PATENT

REEL: 016470 FRAME: 0179

continuations, renewals, extensions or continuations-in-part thereof) and Patent applications referred to in Schedule A annexed hereto, and all of the inventions and improvements described and claimed in each Patent, Patent registration and Patent application together with all patentable inventions;

(2) each Patent license, including without limitation each Patent license listed on Schedule A annexed hereto; and

(3) all products and proceeds of the foregoing, including, without limitation, any claim by the any Grantor against third parties for past, present or future infringement of any Patent or Patent registration including, without limitation, the Patents and Patent registrations referred to in Schedule A annexed hereto, the Patent registrations issued with respect to the Patent applications referred in Schedule A and the Patents licensed under any Patent license.

This security interest is granted in conjunction with the security interests granted to the Grantee pursuant to the Security Agreement and is not intended to increase the rights of the Grantee or the obligations of the Grantors beyond the rights and obligations contained in the Security Agreement. Grantors hereby acknowledge and affirm that the rights and remedies of the Grantee with respect to the security interest in the Patent Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.
