**PATENT APPLICATION**

**ASSIGNMENT**

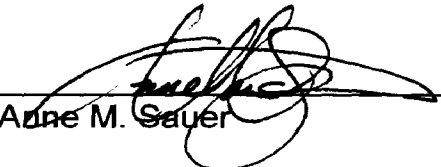

WHEREAS we, Anne M. Sauer, a citizen of the United States of America, residing at 15553 Waywood Avenue, Baton Rouge, LA 70816; William E. Crowe, a citizen of the United States of America, residing at 723 Bromley Drive, Baton Rouge, LA 70808; Roger A. Laine, a citizen of the United States of America, residing at 755 Delgado Drive, Baton Rouge, LA 70808; and, Gregg Henderson, a citizen of the United States of America, residing at 6825 Bayou Paul Road, St. Gabriel, LA 70776; having made an invention in "Efficient and Economic Asymmetric Synthesis of Nootkatone, Tetrahydronootkatone, Their Precursors and Derivatives," and having executed an application for Letters Patent of the United States of America based thereon on even date herewith (Atty. File No. Sauer 02A10);

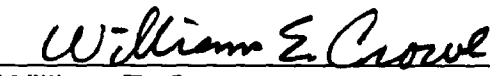

Now, therefore, for good and valuable consideration, receipt of which is acknowledged, we have agreed to assign and transfer and do hereby assign and transfer unto the Board of Supervisors of Louisiana State University and Agricultural and Mechanical College, its successors and assigns, the entire right, title, and interest in and to the said invention and application, and in and to any division, continuation, or continuation-in-part of said application, and in and to any and all Letters Patent and reissues and extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Letters Patent in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted on any of the foregoing to be held and enjoyed as fully and exclusively as they would have been by us had this assignment and transfer not been made.

We do further agree for ourselves and for our heirs, executors, and administrators, to execute and deliver without further consideration any further applications, assignments, and documents, and to perform such acts as we lawfully may, that may be deemed necessary by the said Board of Supervisors of Louisiana State University and Agricultural and Mechanical College, its successors, assigns, and nominees, fully to secure its interest as aforesaid and to obtain or maintain Letters Patent in any and all countries;

And we do hereby authorize the Director of the United States Patent and Trademark Office, and any foreign counterpart to the Director, to issue any and all Letters Patent that may be granted upon any of the said applications, to the said Board of Supervisors of Louisiana State University and Agricultural and Mechanical College as the assignee of the entire interest therein.

In witness whereof, we have hereunto signed our names on the day and year set forth below.
