ASSIGNMENT OF PATENT

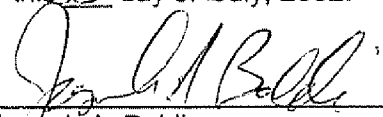

Joseph A. Baldi, not personally but as Chapter 11 Trustee of McCook Metals, L.L.C., an Illinois limited liability company and the subject of a proceeding under Chapter 11 of the United States Bankruptcy Code pending in the United States Bankruptcy Court for the Northern District of Illinois, Eastern Division (the "Assignor"), in consideration of the covenants and agreements set forth in that certain Purchase and Sale Agreement, dated as of February 1, 2002, between the Assignor and the Assignee, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the parties hereto, the Assignor hereby sells, assigns, conveys, and transfers unto Pechiney Rolled Products, LLC, a Delaware limited liability company and its successors and assigns (the "Assignee"), all of the Assignor's right, title and interest in and to the following patent (the "Patent"):

United States Patent No. 5,393,357

including the invention(s) described or claimed therein, and any and all contributions, continuations in part, divisions, renewals and substitutes for the Patent and any issue or reissue or extensions or re-examinations of the Patent, the same to be held and enjoyed by the Assignee as fully and entirely as the same could have been held and enjoyed by the Assignor if this sale, assignment and transfer not been made.

The Assignor hereby undertakes at any time upon request to sign such documents and do such things as may be required to give effective legal and registered title to the Assignee to the Patent, including the titling, prosecution and assignment of any application issued, reissued, extended or re-examined of the Patent which the Assignee in its discretion may deem advisable, all without further consideration but at the sole expense of the Assignee.

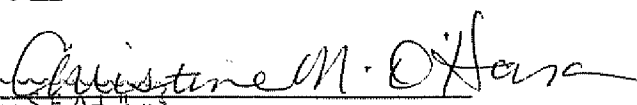

EXECUTED at Chicago, Illinois, USA, this ^{August} 28 day of ~~July~~, 2002.

Joseph A. Baldi,
Chapter 11 Trustee of
