ASSIGNMENT AND AGREEMENT

For value received, we, Scott E. Eells, residing at 7552 S. Mt. Zion Road, Bloomington, IN 47403, U.S.A., and Thomas A. Osborne, residing at 9480 S. Pointe LaSalles Road, Bloomington, IN 47401, U.S.A., hereby sell, assign, and transfer to **Cook Incorporated**, a corporation of the State of Indiana, having an office at 750 N. Daniels Way, Bloomington, IN, 47404, U.S.A., and its successors, assigns, and legal representatives, hereinafter collectively "Cook," and

For value received, I, Michael C. Hiles, residing at 4326 South 900 East, Lafayette, IN 47905, U.S.A., hereby sell, assign, and transfer to **Cook Biotech Inc.**, a corporation of the State of Indiana, having an office at 1425 Innovation Place, West Lafayette, IN, 47906, and its successors, assigns, and legal representatives, hereinafter collectively "Cook Biotech",

the entire right, title and interest, for the United States of America, in and to certain inventions related to "CAST BIOREMODELABLE GRAFT" described in U.S. Provisional Application Serial No. 60/542,922, filed on February 9, 2004, and described in U.S. Application Serial No. 11/054,043 filed on February 9, 2005, and all the rights and privileges in said application and under any and all Letters Patent or any continuation, division, renewal, or substitute thereof, and any reissue or re-examination thereof that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to Cook and Cook Biotech, either jointly or individually, the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

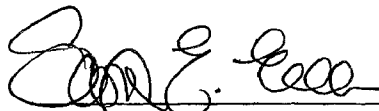

We authorize Cook and Cook Biotech, either jointly or individually, to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Cook and Cook Biotech, either jointly or individually, to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to Cook and Cook Biotech, either jointly or individually, in the United States and in all countries foreign to the United States, or to such nominees as Cook and Cook Biotech, either jointly or individually, may designate.

We agree that, when requested, we shall, without charge to Cook and Cook Biotech, but at their expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
