Bill of Sale and Patent Assignment

9/7, 2005

KNOW ALL MEN BY THESE PRESENTS:

This Bill of Sale and Patent Assignment is between CASE DESIGNERS CORPORATION, a Virginia Corporation hereinafter referred to as "Seller" and BMG OF KANSAS, INC., a Kansas corporation, hereinafter referred to as "Purchaser," whose address is 606 Commerce Drive, P.O. Box 746, Hesston KS 67062.

WHEREAS, the Seller and Advanced Containers, L.L.C. entered into a License and Option Agreement dated the 31st day of August, 1999 (the "Agreement") and that Agreement provided that Purchaser may, upon full and final payment of the License Fee to Seller, exercise the option (the "Option") to purchase the Patents and related technology, as defined by the Agreement; and

WHEREAS, the Purchaser is the successor by merger to Advanced Containers, L.L.C.; and

WHEREAS, Advanced Containers, L.L.C. and/or the Purchaser has exercised the Option to purchase the Patents and related Licensed Technology.

NOW THEREFORE for and in consideration of \$1.00, the Seller does hereby sell, assign, transfer and set over onto Advanced Containers, L.L.C. immediately all of its right, title and interest in and to the following described assets, to wit:

Letters Patent of the United States Number 5,185,193 issued February 9, 1993;
Letters Patent of the United States Number 5,204,149 issued April 20, 1993;
Letters Patent of Canada Number CA 2099577 issued July 18, 1995; and
including all Seller's right, title and interest in and to the inventions themselves, all enhancements or improvements in the design and manufacture of the commercial products or the container systems covered by the Patents above referenced;

to have and to hold the same unto said BMG of Kansas, Inc., its successors and assigns forever, without warranty. This Bill of Sale and Patent Assignment shall include all of Seller's right to make, use and vend said patents, all of which right is hereby transferred and assigned to Purchaser. This Bill of Sale and Patent Assignment shall also include all present rights to said Patents and shall include all future improvements. Further, this Bill of Sale and Patent Assignment is unlimited in territory and shall apply world-wide.
