### ASSIGNMENT

In consideration of One Dollar and other good and valuable consideration, the receipt of which is hereby acknowledged, Dripless, Inc., a California corporation, having its principle place of business at 134A Lystra Court, Santa Rosa, CA 95403, sell and assign to Danny Rumrill, 4870 Carriage Lane, Santa Rosa, CA 95403 (hereinafter referred to as "Assignee"), his successors and assigns, the entire right, title and interest:

in and to the invention relating to improvements in LONG GUN ASSEMBLY, and shown and described in U.S. Patent Application 29/186,853 filed July 23, 2003.

and in and to all applications for patent and patents for said invention, in all countries in the world, including all divisions, reissues, substitutions, extensions and continuations thereof;

and in to and all patents which may be granted therefore and all reissues and extensions thereof; and in all rights arising under or pursuant to any and all international agreements, treaties or laws relating to the protection of industrial property, including rights of priority resulting from the filing of any of said applications.

We authorize and request the Commissioner of Patents and Trademarks and all other issuing authorities to issue all Patents on said invention or resulting there from to said Assignee as assignee of the entire interest, and covenant that we have full right so to do, and agree that we will communicate to said Assignee or his representatives any facts known to us respecting said invention and testify in any legal proceeding, execute all divisional, continuing and reissue applications and all assignments of said invention and of the right to apply for Letters Patent therefore in all countries, make all rightful oaths, sign all other lawful papers, and generally do everything reasonably possible to aid said Assignee, its successors, assigns and nominees, to obtain and enforce proper patent protection for said invention in all countries in the world.

We further authorize Assignee to execute on our behalf all documents necessary for the filing of any such application including divisional, continuing and reissue applications and all assignments of said invention and all documents necessary to apply for Letters Patent therefore in all countries including making all rightful oaths, signing all other lawful papers, and generally doing everything necessary on our behalf to obtain and enforce proper patent protection for said Assignee for said invention in all countries in the world.

IN WITNESS WHEREOF, I hereunto set my hand and seal on the date so indicated below.
