## Co-Inventor's Agreement

The undersigned co-inventors (Victor Joyner, Kevin Reilly, and Harold Gell) of United States Patent Application Serial Number 10/359,255, published August 12, 2004 as United States Patent Application 20040155792, and herein after referred to as "the patent application" agree to the following:

1) They are joint owners of any and all patents springing from the patent application and as such own a percentage share of said patents in accordance with the following schedule.

As to Victor Joyner = 42.5%

As to Kevin Reilly = 42.5%

As to Harold Gell = 15%

2) They agree to share according to said schedule in recoveries from infringers of patents springing from the patent application. Said recoveries being all monies in excess of the expenditures required to enforce the patents springing from the patent application against the infringer.

3) They agree to share according to said schedule in all royalties derived from licensing patents springing from the patent application.

4) They agree to share according to said schedule in all profits derived from the sale of patents springing from the patent application.

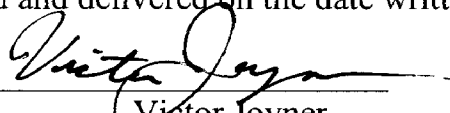

5) They agree to share the expense of government fees required for the issue and maintenance of patents springing from the patent application according to said schedule.

6) They agree that one co-inventor may transfer his share to another co-inventor.

7) They agree that a co-inventor may transfer his share of said patents springing from the patent application to a third party who is not a co-inventor only with the permission of all other co-inventors.

8) They agree that the heirs of a deceased co-inventor are entitled to that co-inventor's interest in patents springing from the patent application and such inherited interest will be subject to the provisions set forth in 1) through 7) above wherein said heirs will act as a single entity.

IN WITNESS WHEREOF: the parties hereto have caused this agreement to be signed, sealed and delivered on the date written.
