Client Reference No. Q05-1003-US1

**ASSIGNMENT
SOLE**

THIS ASSIGNMENT, by David T. HOGE (hereinafter referred to as the assignor), residing at 8865
Jellison Court, Westminster, Colorado 80021, witnesseseth:

WHEREAS, said assignor has invented certain new and useful improvements in CENTER REEL LOCK
STORAGE DEVICE, set forth in an application for Letters Patent of the United States, having an oath or
declaration executed on even date herewith; and

WHEREAS, Quantum Corporation, a corporation duly organized under and pursuant to the laws of
Delaware and having its principal place of business at 1650 Technology Drive, Suite 800, San Jose, California
95110 (hereinafter referred to as the assignee) is desirous of acquiring the entire right, title and interest in and to
said inventions and said application for Letters Patent of the United States, and in and to any Letters Patent or
Patents, United States or foreign, to be obtained therefor and thereon:

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration,
the receipt of which is hereby acknowledged, said assignor has sold, assigned, transferred and set over, and by
these presents does sell, assign, transfer and set over, unto said assignee, its successors, legal representatives and
assigns, the entire right, title and interest in and to the above-mentioned inventions, application for Letters Patent,
and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be
granted therefor and thereon, and in and to any and all divisions, continuations and continuations-in-part of said
application, or reissues or extensions of said Letters Patent or Patents, and all rights under the International
Convention for the Protection of Industrial Property, the same to be held and enjoyed by said assignee, for its own
use and the use of its successors, legal representatives and assigns, to the full end of the term or terms for which
Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by
the assignor, had this sale and assignment not been made.

AND for the same consideration, said assignor hereby covenants and agrees to and with said assignee its
successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, said
assignor is the sole and lawful owner of the entire right, title and interest in and to said inventions and the
application for Letters Patent above-mentioned, and that the same are unencumbered and that said assignor has
good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, said assignor hereby covenants and agrees to and with said assignee, its
successors, legal representatives and assigns, that said assignor will, whenever counsel of said assignee, or the
counsel of its successor, legal representatives and assigns, shall advise that any proceeding in connection with said
inventions, or said application for Letters Patent, or any proceeding in connection with Letters Patent for said
inventions in any country, including interference proceedings, is lawful and desirable, or that any division,
continuation or continuation-in-part of any application for Letters Patent or any reissue or extension of any Letters
Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do
all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters
Patent for said inventions, without charge to said assignee, its successors, legal representatives and assigns, but at
the cost and expense of said assignee, its successors, legal representatives and assigns.

AND said assignor hereby requests the Commissioner of Patents to issue said Letters Patent of the United
States to said assignee as the assignee of said inventions and the Letters Patent to be issued thereon for the sole use
of said assignee, its successors, legal representatives and assigns.
